

Graduate Program Positions Available!

Exclusively for Fort Worth ISD secondary math, science, social studies and ELA teachers who teach English Language Learners (ELLs)!

Free tuition and fees, free textbooks, \$500 classroom materials grant per teacher, stipend of \$1,500 upon completion of program (with evidence of training teachers on your campus)!

A Collaboration of FWISD and Texas Woman's University

Purpose of *Project ACCELERATE*:

- To prepare secondary teachers to work with ELLs in the mainstream content area classroom.

Highlights of *Project ACCELERATE*:

- All courses either online or on site in Fort Worth
- Courses taught by faculty from the TWU College of Professional Education
- Nine credit hours taken during 3 consecutive semesters
- Includes *Teaching in Culturally and Linguistically Diverse Environments*, *Second Language Acquisition Theory and Practice*, and *Methods of Teaching English as a Second Language*

Candidates of *Project ACCELERATE* must:

- Already be certified teachers
- Apply and be admitted to TWU's Graduate School
- Meet *ACCELERATE* admission requirements (letter of recommendation from principal)
