

# College Foundations Program (CFP)

## What is the College Foundations Program?

College volunteers and project managers guide 10<sup>th</sup> – 12<sup>th</sup> grade students through the admissions process and the college experience.

Sessions include interactive powerpoints, real-life college scenarios, a variety of presenters, and college panelists.

## What will you learn from the College Foundations Program?

- How to prepare for college while in high school
- How to complete the college admissions application
- How to apply for scholarships
- How to select a university, major and career that suits you
- How to get the most out of your college experience
- Life skills such as resume writing and interview preparation
