

PARENT A GLANCE

Find out what your child is **learning** and how to **help**.

Subject	Health (Note this is a semester course.)				
Ideas students are learning	Students will learn in depth about drugs and diseases and reproductive health.				
Skills	Students will continue to develop the skills necessary to making good choices concerning their health.				
Work and assignments to look for	Reading from the textbook and/or work on selecting research paper topic.				
Questions Parents Can Ask	Ask how the rough draft of their research paper/project is going?				
Special Notes	All students in high school health are to do a short research paper/project on a topic related to their curriculum.
