

PARENT A GLANCE

Find out what your child is **learning** and how to **help**.

SUBJECT	Health				
Ideas students are learning	Students will learn in depth about diseases and disorders and reproductive health.				
Skills	Students will learn about disease, eating disorders; they will understand importance of being abstinent.				
Work and assignments to look for	Reading from textbook and/or work on selecting research paper topic and/or work as assigned by teacher.				
Questions Parents Can Ask	Have you completed the rough draft of your research paper? Have you had your CPR training yet?				
Special Notes	All students in High School Health classes receive instruction on giving CPR with the assistance of the FW Fire Dept.
