

# Fall 2009 - Spring 2010

## Training Guide

Fort Worth ISD · Educational Technology · 3150 McCart Ave., Suite 16 · Fort Worth, TX 76110 · 817-922-6970

### *Leading the Way*

#### **Educational Technology**

The 2009-2010 technology courses are meant to aid in the integration of technology. 240 sessions are being offered beginning September 8, 2009 that are intended to make the transition into a digital classroom more effective and efficient.

\*Register for training through Avatar\*

<http://fortworth.avatarlms.com>

Space is limited.

Sign up for classes soon!

Please contact your Campus Technology Integration Educator with questions and concerns.

#### **Get Your Gear Here**

Learn the essentials to integrate the Promethean's response system in your class. By participating in "Lesson Planning with ActiVotes" or "Lesson Planning with ActiExpressions" your campus will receive 1 set of 25 ActiVotes (Grades: K-8) or ActiExpressions (Grades: 9-12). Prerequisite: Promethean ActivInspire Foundations.

***One set per trained teacher will be issued until the campus reaches the 1 to 3 installed ActivBoard ratio.***

#### **Incentives**

For every course in our training catalog that you attend you will earn hours to use towards your choice of a digital camera, an ActivSlate or a document camera. You may begin accumulating hours beginning September 8, 2009 and continue to accumulate hours until May 13, 2010. Only certified classroom teachers and librarians are eligible to earn equipment.

10 hours = ActivSlate or Digital Camera

OR

20 hours = Document Camera

**Limit of 30 hours redeemable for equipment.**

To be included in the first round of equipment deliveries, you must submit your transcript with the required hours by November 20, 2009.

### 2009-2010 · Training Guide

#### **SRA TechKnowledge**

9/8/2009 Avatar #: 843.2938  
4:00 PM - 6:00 PM IMT, Lab 200  
The K-2 Technology textbook adoption of SRA McGraw-Hill is a vital tool for integrating technology into the curriculum. Training is being offered for teachers who are new users of this dynamic program or for those who just need a refresher. Session topics include: logging into the SRA TechKnowledge website, managing student accounts, managing student usage, and How Tos.

**Prerequisite:** Participation is limited to teachers (Grades K-2).

#### **Connected Tech**

9/8/2009 Avatar #: 830.7630  
4:00 PM - 6:00 PM IMT, Lab 205  
Connected Tech is the 3-5 grade textbook adoption for Technology Applications. It is designed to support successful teaching and learning of the Texas Technology Application TEKS with tutorials, lessons, projects and other resources that complement the teaching of the core curriculum areas. Topics include: logging in, searching for and assigning lessons and activities, using templates, and managing student accounts.

**Prerequisite:** Participation is limited to teachers (Grades 3-5).

#### **enVision Math (Grades 3-5)**

9/8/2009 Avatar #: 845.2688  
4:00 PM - 6:00 PM PDC, Lab 006  
Teachers will learn how to use enVision's Premium Digital System, Tools 4Math eTools, and the Tools Pouch Master package in conjunction with the Promethean Activstudio software. Using the Premium Digital System, teachers will learn to deliver lessons online and in digital format. Students will be able to use enVision's eTools with the interactive whiteboard to enhance learning.

**Prerequisite:** This course is limited to teachers (Grades 3-5) with working enVision teacher accounts.

**Pearson Prentice Hall**

9/8/2009 Avatar #: 841.2850  
 5:00 PM - 7:00 PM PDC, Lab 020  
 Pearson Prentice Hall is the online Technology Applications Textbook adopted by the Fort Worth ISD for grades 6-8. This session will focus on a website offering ideas for teachers to do projects with their students. We will download some examples and the instructor will show how those projects can be implemented. Teachers will download some of their own choices of activities for their students.

**Prerequisite:** Participation is limited to teachers (Grades 6-8)

**enVision Math (Grades K-2)**

9/10/2009 Avatar #: 833.1443  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Teachers will learn how to use enVision's Premium Digital System, Tools 4Math eTools, and the Tools Pouch Master package in conjunction with the Promethean Activstudio software. Using the Premium Digital System, teachers will learn to deliver lessons online and in digital format. Students will be able to use enVision's eTools with the interactive whiteboard to enhance learning.

**Prerequisite:** This course is limited to teachers (Grades K-2) with working enVision teacher accounts.

**enVision Math (Grades 3-5)**

9/15/2009 Avatar #: 845.2689  
 4:00 PM - 6:00 PM IMT, Lab 205  
 Teachers will learn how to use enVision's Premium Digital System, Tools 4Math eTools, and the Tools Pouch Master package in conjunction with the Promethean Activstudio software. Using the Premium Digital System, teachers will learn to deliver lessons online and in digital format. Students will be able to use enVision's eTools with the interactive whiteboard to enhance learning.

**Prerequisite:** This course is limited to teachers (Grades 3-5) with working enVision teacher accounts.

**Lesson Planning with ActivVotes (ES/MS only)**

9/10/2009 Avatar #: 839.2721  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**SharePoint Refresher for Campus Websites**

9/10/2009 Avatar #: 1204.2870  
 5:00 PM - 7:00 PM PDC, Lab 006  
 This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

**Connected Tech**

9/15/2009 Avatar #: 830.2767  
 4:00 PM - 6:00 PM PDC, Lab 006  
 Connected Tech is the 3-5 grade textbook adoption for Technology Applications. It is designed to support successful teaching and learning of the Texas Technology Application TEKS with tutorials, lessons, projects and other resources that complement the teaching of the core curriculum areas. Topics include: logging in, searching for and assigning lessons and activities, using templates, and managing student accounts.

**Prerequisite:** Participation is limited to teachers (Grades 3-5).

**Lesson Planning with ActivExpressions (HS only)**

9/10/2009 Avatar #: 838.2816  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Promethean ActivInspire Migration**

9/15/2009 Avatar #: 1266.2890  
 4:00 PM - 6:00 PM IMT, Lab 200  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**enVision Math (Grades K-2)**

9/15/2009 Avatar #: 833.2701  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Teachers will learn how to use enVision's Premium Digital System, Tools 4Math eTools, and the Tools Pouch Master package in conjunction with the Promethean Activstudio software. Using the Premium Digital System, teachers will learn to deliver lessons online and in digital format. Students will be able to use enVision's eTools with the interactive whiteboard to enhance learning.

**Prerequisite:** This course is limited to teachers (Grades K-2) with working enVision teacher accounts.

**SRA TechKnowledge**

9/17/2009 Avatar #: 843.2939  
4:00 PM - 6:00 PM IMT, Lab 200  
The K-2 Technology textbook adoption of SRA McGraw-Hill is a vital tool for integrating technology into the curriculum. Training is being offered for teachers who are new users of this dynamic program or for those who just need a refresher. Session topics include: logging into the SRA TechKnowledge website, managing student accounts, managing student usage, and How Tos.

**Prerequisite:** Participation is limited to teachers (Grades K-2).

**Pearson Prentice Hall**

9/17/2009 Avatar #: 841.2854  
5:00 PM - 7:00 PM IMT, Lab 205  
Pearson Prentice Hall is the online Technology Applications Textbook adopted by the Fort Worth ISD for grades 6-8. This session will focus on a website offering ideas for teachers to do projects with their students. We will download some examples and the instructor will show how those projects can be implemented. Teachers will download some of their own choices of activities for their students.

**Prerequisite:** Participation is limited to teachers (Grades 6-8)

**ActivInspire: Advanced Techniques**

9/22/2009 Avatar #: 1279.2681  
5:00 PM - 7:00 PM PDC, Lab 006  
As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Lesson Planning with ActivExpressions (HS only)**

9/17/2009 Avatar #: 838.2889  
4:00 PM - 6:00 PM PDC, Lab 006  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Web 2.0 in the Classroom**

9/22/2009 Avatar #: 1199.2942  
4:00 PM - 6:00 PM IMT, Lab 200  
Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**21st Century Skills for the Science Classroom**

9/22/2009 Avatar #: 1209.2687  
5:00 PM - 7:00 PM PDC, Lab 020  
Learn how to incorporate 21st Century skills into your classroom. Experience the integration of digital application and subject content via a Science-centered exploration using the actual technology applications.

**Lesson Planning with ActivVotes (ES/MS only)**

9/17/2009 Avatar #: 839.2813  
4:00 PM - 6:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Easy, Fast, and Free Technology**

9/22/2009 Avatar #: 1203.2871  
5:00 PM - 7:00 PM IMT, Lab 205  
Discover how easy it is to uncover the excitement of learning through technology. Learn to spark enthusiasm and empower your students to become global digital citizens. Don't let the dust settle any longer; use technology in your classroom to access over 100 wonderful online resources.

**Promethean ActivInspire Migration**

9/24/2009 Avatar #: 1266.2892  
4:00 PM - 6:00 PM IMT, Lab 200  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**From Frameworks to Flipcharts**

9/24/2009 Avatar #: 836.2746  
4:00 PM - 6:00 PM IMT, Lab 205  
From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Lesson Planning with ActiVotes (ES/MS only)**

9/29/2009 Avatar #: 839.2723  
4:00 PM - 6:00 PM IMT, Lab 200  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**SharePoint Refresher for Campus Websites**

9/29/2009 Avatar #: 1204.2878  
4:00 PM - 6:00 PM PDC, Lab 020  
This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

**Creating a Photo Story 3 Video for Classroom Integration**

9/24/2009 Avatar #: 1198.2775  
4:00 PM - 6:00 PM PDC, Lab 020  
Create a Photo Story 3 Video for Classroom Integration in 30 minutes or less. Use Photo Story 3 to create a movie using JPEG pictures. Learn how to add text, special effects, narratives, and how to integrate created movies into Promethean flipcharts.

**Interactive Educational Games with the Promethean Board**

9/29/2009 Avatar #: 1283.2781  
4:00 PM - 6:00 PM IMT, Lab 205  
Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**Desktop Publishing with Microsoft Word**

10/1/2009 Avatar #: 831.2811  
4:00 PM - 6:00 PM IMT, Lab 205  
While Microsoft Word is still first and foremost a word processor, it is frequently used to create publications normally created by page layout programs. For some users, it may be the only desktop publishing tool they need. Designed primarily for text-focused documents, Word and other word processors can still be used for combining text and graphics into fliers, brochures, newsletters, or business cards. Explore how you can use the desktop publishing capabilities of Word in your classroom.

**Digital Cameras with Promethean in the Classroom**

9/24/2009 Avatar #: 1195.2834  
5:00 PM - 7:00 PM PDC, Lab 006  
Learn how to use digital cameras to capture images and videos of everyday objects in conjunction with your Promethean Board. Activities can be used with specific content areas to support lessons.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**Excite Your Social Studies Classroom**

9/29/2009 Avatar #: 1281.2725  
4:00 PM - 6:00 PM PDC, Lab 006  
Bring excitement into your Social Studies classroom with ActivInspire flipcharts! This session shows how to integrate the use of this new technology into your social studies curriculum. Learn how to engage and motivate your students with interactive flipcharts, photos, maps and multimedia.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**Classroom Management Utilizing Technology**

10/1/2009 Avatar #: 1197.2744  
4:00 PM - 6:00 PM PDC, Lab 020  
Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**Data Analysis with Excel**

10/1/2009 Avatar #: 1196.2797  
 5:00 PM - 7:00 PM IMT, Lab 200  
 Teach your students the basics of data analysis with Excel. Learn how to generate histograms and graph linear functions. Use Excel's powerful tools to perform data analysis. Download the Data Analysis add-in for Excel and apply and interpret its results to a set of data. Finally, explore other features in Excel.

**Interactive Educational Games with the Promethean Board**

10/6/2009 Avatar #: 1283.2784  
 4:00 PM - 6:00 PM IMT, Lab 205  
 Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

10/8/2009 Avatar #: 839.2726  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Document Camera Projects with Movie Maker**

10/1/2009 Avatar #: 832.2849  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Discover how to create Interactive Videos that support student success in any subject area using Windows Movie Maker. Explore the endless possibilities of how videos can be used to break the learning barrier, build self-confidence, and reinforce student achievement. Participants will learn how to create, edit, and capture interactive videos that promote student achievement in all subject areas. Participants will discover new ways to incorporate Movie Maker into student projects such as: research documentaries, persuasive commercials, and public service announcements.

**Easy, Fast, and Free Technology**

10/6/2009 Avatar #: 1203.2884  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Discover how easy it is to uncover the excitement of learning through technology. Learn to spark enthusiasm and empower your students to become global digital citizens. Don't let the dust settle any longer; use technology in your classroom to access over 100 wonderful online resources.

**ActivInspire: Advanced Techniques**

10/8/2009 Avatar #: 1279.2708  
 4:00 PM - 6:00 PM PDC, Lab 006  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Promethean ActivInspire Migration**

10/6/2009 Avatar #: 1266.2893  
 4:00 PM - 6:00 PM IMT, Lab 200  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**SharePoint Refresher for Campus Websites**

10/6/2009 Avatar #: 1204.2882  
 5:00 PM - 7:00 PM PDC, Lab 020  
 This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

**21st Century Skills for the Science Classroom**

10/8/2009 Avatar #: 1209.2690  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Learn how to incorporate 21st Century skills into your classroom. Experience the integration of digital application and subject content via a Science-centered exploration using the actual technology applications.

**Web 2.0 in the Classroom**

10/8/2009 Avatar #: 1199.2944  
 5:00 PM - 7:00 PM IMT, Lab 205  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**Lesson Planning with ActiVotes (ES/MS only)**

10/13/2009 Avatar #: 839.2728  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActiVotes (ES/MS only)**

10/13/2009 Avatar #: 839.2748  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**SharePoint Refresher for Campus Websites**

10/13/2009 Avatar #: 1204.2874  
 4:00 PM - 6:00 PM PDC, Lab 006  
 This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

**Excel with DataSmart**

10/13/2009 Avatar #: 1280.2703  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Come explore some of the basic functions and learn quick tips to help you become more efficient in your use of Excel. This session is for the basic user of Excel. Learn how to format cells, import data and more while using your DataSmart data.

**Desktop Publishing with Microsoft Word**

10/15/2009 Avatar #: 831.2814  
 4:00 PM - 6:00 PM IMT, Lab 200  
 While Microsoft Word is still first and foremost a word processor, it is frequently used to create publications normally created by page layout programs. For some users, it may be the only desktop publishing tool they need. Designed primarily for text-focused documents, Word and other word processors can still be used for combining text and graphics into fliers, brochures, newsletters, or business cards. Explore how you can use the desktop publishing capabilities of Word in your classroom.

**Creating a Photo Story 3 Video for Classroom Integration**

10/15/2009 Avatar #: 1198.2777  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Create a Photo Story 3 Video for Classroom Integration in 30 minutes or less. Use Photo Story 3 to create a movie using JPEG pictures. Learn how to add text, special effects, narratives, and how to integrate created movies into Promethean flipcharts.

**From Frameworks to Flipcharts**

10/15/2009 Avatar #: 836.2749  
 5:00 PM - 7:00 PM IMT, Lab 205  
 From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Document Camera Projects with Movie Maker**

10/15/2009 Avatar #: 832.2852  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Discover how to create Interactive Videos that support student success in any subject area using Windows Movie Maker. Explore the endless possibilities of how videos can be used to break the learning barrier, build self-confidence, and reinforce student achievement. Participants will learn how to create, edit, and capture interactive videos that promote student achievement in all subject areas. Participants will discover new ways to incorporate Movie Maker into student projects such as: research documentaries, persuasive commercials, and public service announcements.

### Classroom Management Utilizing Technology

10/20/2009 Avatar #: 1197.2747  
4:00 PM - 6:00 PM IMT, Lab 200  
Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

### Digital Cameras with Promethean in the Classroom

10/20/2009 Avatar #: 1195.2837  
5:00 PM - 7:00 PM PDC, Lab 006  
Learn how to use digital cameras to capture images and videos of everyday objects in conjunction with your Promethean Board. Activities can be used with specific content areas to support lessons.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

### ActivInspire: Advanced Techniques

10/22/2009 Avatar #: 1279.2710  
4:00 PM - 6:00 PM PDC, Lab 020  
As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

### Excite Your Social Studies Classroom

10/20/2009 Avatar #: 1281.2729  
4:00 PM - 6:00 PM IMT, Lab 205  
Bring excitement into your Social Studies classroom with ActivInspire flipcharts! This session shows how to integrate the use of this new technology into your social studies curriculum. Learn how to engage and motivate your students with interactive flipcharts, photos, maps and multimedia.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

### Promethean ActivInspire Migration

10/22/2009 Avatar #: 1266.2900  
4:00 PM - 6:00 PM IMT, Lab 205  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

### Data Analysis with Excel

10/22/2009 Avatar #: 1196.2800  
5:00 PM - 7:00 PM IMT, Lab 200  
Teach your students the basics of data analysis with Excel. Learn how to generate histograms and graph linear functions. Use Excel's powerful tools to perform data analysis. Download the Data Analysis add-in for Excel and apply and interpret its results to a set of data. Finally, explore other features in Excel.

### SharePoint Refresher for Campus Websites

10/20/2009 Avatar #: 1204.2885  
4:00 PM - 6:00 PM PDC, Lab 020  
This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

### Creating a Photo Story 3 Video for Classroom Integration

10/22/2009 Avatar #: 1198.2779  
4:00 PM - 6:00 PM PDC, Lab 006  
Create a Photo Story 3 Video for Classroom Integration in 30 minutes or less. Use Photo Story 3 to create a movie using JPEG pictures. Learn how to add text, special effects, narratives, and how to integrate created movies into Promethean flipcharts.

### Excite Your Social Studies Classroom

10/27/2009 Avatar #: 1281.2731  
4:00 PM - 6:00 PM IMT, Lab 205  
Bring excitement into your Social Studies classroom with ActivInspire flipcharts! This session shows how to integrate the use of this new technology into your social studies curriculum. Learn how to engage and motivate your students with interactive flipcharts, photos, maps and multimedia.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**From Frameworks to Flipcharts**

10/27/2009 Avatar #: 836.2752  
 4:00 PM - 6:00 PM PDC, Lab 006  
 From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Lesson Planning with ActivExpressions (HS only)**

10/29/2009 Avatar #: 838.2891  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Easy, Fast, and Free Technology**

10/29/2009 Avatar #: 1203.2873  
 5:00 PM - 7:00 PM IMT, Lab 205  
 Discover how easy it is to uncover the excitement of learning through technology. Learn to spark enthusiasm and empower your students to become global digital citizens. Don't let the dust settle any longer; use technology in your classroom to access over 100 wonderful online resources.

**Excel with DataSmart**

10/27/2009 Avatar #: 1280.2711  
 5:00 PM - 7:00 PM IMT, Lab 200  
 Come explore some of the basic functions and learn quick tips to help you become more efficient in your use of Excel. This session is for the basic user of Excel. Learn how to format cells, import data and more while using your DataSmart data.

**Lesson Planning with ActivVotes (ES/MS only)**

10/29/2009 Avatar #: 839.2815  
 4:00 PM - 6:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivExpressions (HS only)**

11/3/2009 Avatar #: 838.2935  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Interactive Educational Games with the Promethean Board**

10/27/2009 Avatar #: 1283.2788  
 5:00 PM - 7:00 PM PDC, Lab 020  
 Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**Document Camera Projects with Movie Maker**

10/29/2009 Avatar #: 832.2856  
 5:00 PM - 7:00 PM IMT, Lab 200  
 Discover how to create Interactive Videos that support student success in any subject area using Windows Movie Maker. Explore the endless possibilities of how videos can be used to break the learning barrier, build self-confidence, and reinforce student achievement. Participants will learn how to create, edit, and capture interactive videos that promote student achievement in all subject areas. Participants will discover new ways to incorporate Movie Maker into student projects such as: research documentaries, persuasive commercials, and public service announcements.

**Lesson Planning with ActivVotes (ES/MS only)**

11/3/2009 Avatar #: 839.8751  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Desktop Publishing with Microsoft Word

11/3/2009 Avatar #: 831.2817  
4:00 PM - 6:00 PM PDC, Lab 006  
While Microsoft Word is still first and foremost a word processor, it is frequently used to create publications normally created by page layout programs. For some users, it may be the only desktop publishing tool they need. Designed primarily for text-focused documents, Word and other word processors can still be used for combining text and graphics into fliers, brochures, newsletters, or business cards. Explore how you can use the desktop publishing capabilities of Word in your classroom.

### 21st Century Skills for the Science Classroom

11/3/2009 Avatar #: 1209.2692  
4:00 PM - 6:00 PM PDC, Lab 020  
Learn how to incorporate 21st Century skills into your classroom. Experience the integration of digital application and subject content via a Science-centered exploration using the actual technology applications.

### Classroom Management Utilizing Technology

11/5/2009 Avatar #: 1197.2750  
4:00 PM - 6:00 PM IMT, Lab 200  
Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations prior to attending this session.

### Promethean ActivInspire Migration

11/5/2009 Avatar #: 1266.2901  
4:00 PM - 6:00 PM IMT, Lab 205  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

### Lesson Planning with ActivExpressions (HS only)

11/5/2009 Avatar #: 838.2924  
4:00 PM - 6:00 PM PDC, Lab 006  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Lesson Planning with ActiVotes (ES/MS only)

11/5/2009 Avatar #: 839.2818  
4:00 PM - 6:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Lesson Planning with ActiVotes (ES/MS only)

11/10/2009 Avatar #: 839.2730  
4:00 PM - 6:00 PM IMT, Lab 200  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Lesson Planning with ActivExpressions (HS only)

11/10/2009 Avatar #: 838.2820  
4:00 PM - 6:00 PM IMT, Lab 205  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Interactive Educational Games with the Promethean Board

11/10/2009 Avatar #: 1283.2792  
4:00 PM - 6:00 PM PDC, Lab 020  
Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**From Frameworks to Flipcharts**

11/10/2009 Avatar #: 836.2755  
 5:00 PM - 7:00 PM PDC, Lab 006  
 From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Lesson Planning with ActiVotes (ES/MS only)**

11/12/2009 Avatar #: 839.2821  
 4:00 PM - 6:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActiExpressions (HS only)**

11/17/2009 Avatar #: 838.2823  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Promethean ActivInspire Migration**

11/12/2009 Avatar #: 1266.2894  
 4:00 PM - 6:00 PM IMT, Lab 200  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Desktop Publishing with Microsoft Word**

11/12/2009 Avatar #: 831.2825  
 5:00 PM - 7:00 PM PDC, Lab 006  
 While Microsoft Word is still first and foremost a word processor, it is frequently used to create publications normally created by page layout programs. For some users, it may be the only desktop publishing tool they need. Designed primarily for text-focused documents, Word and other word processors can still be used for combining text and graphics into fliers, brochures, newsletters, or business cards. Explore how you can use the desktop publishing capabilities of Word in your classroom.

**Excite Your Social Studies Classroom**

11/17/2009 Avatar #: 1281.2734  
 4:00 PM - 6:00 PM PDC, Lab 006  
 Bring excitement into your Social Studies classroom with ActivInspire flipcharts! This session shows how to integrate the use of this new technology into your social studies curriculum. Learn how to engage and motivate your students with interactive flipcharts, photos, maps and multimedia.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**ActivInspire: Advanced Techniques**

11/12/2009 Avatar #: 1279.2713  
 4:00 PM - 6:00 PM IMT, Lab 205  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

11/17/2009 Avatar #: 839.2732  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**From Frameworks to Flipcharts**

11/17/2009 Avatar #: 836.2765  
 5:00 PM - 7:00 PM PDC, Lab 020  
 From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Promethean ActivInspire Migration**

11/19/2009 Avatar #: 1266.2902  
 4:00 PM - 6:00 PM IMT, Lab 205  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Creating a Photo Story 3 Video for Classroom Integration**

11/19/2009 Avatar #: 1198.2782  
 4:00 PM - 6:00 PM PDC, Lab 006  
 Create a Photo Story 3 Video for Classroom Integration in 30 minutes or less. Use Photo Story 3 to create a movie using JPEG pictures. Learn how to add text, special effects, narratives, and how to integrate created movies into Promethean flipcharts.

**Classroom Management Utilizing Technology**

11/19/2009 Avatar #: 1197.2753  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations prior to attending this session.

**Data Analysis with Excel**

11/19/2009 Avatar #: 1196.2804  
 5:00 PM - 7:00 PM IMT, Lab 200  
 Teach your students the basics of data analysis with Excel. Learn how to generate histograms and graph linear functions. Use Excel's powerful tools to perform data analysis. Download the Data Analysis add-in for Excel and apply and interpret its results to a set of data. Finally, explore other features in Excel.

**Interactive Educational Games with the Promethean Board**

12/1/2009 Avatar #: 1283.2795  
 4:00 PM - 6:00 PM IMT, Lab 200  
 Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

12/1/2009 Avatar #: 839.2824  
 4:00 PM - 6:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Classroom Management Utilizing Technology**

12/1/2009 Avatar #: 1197.2756  
 5:00 PM - 7:00 PM IMT, Lab 205  
 Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations prior to attending this session.

**21st Century Skills for the Science Classroom**

12/1/2009 Avatar #: 1209.2694  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Learn how to incorporate 21st Century skills into your classroom. Experience the integration of digital application and subject content via a Science-centered exploration using the actual technology applications.

**Lesson Planning with ActivExpressions (HS only)**

12/3/2009 Avatar #: 838.2936  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**ActivInspire: Advanced Techniques**

12/3/2009 Avatar #: 1279.2715  
 4:00 PM - 6:00 PM IMT, Lab 205  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Document Camera Projects with Movie Maker**

12/8/2009 Avatar #: 832.2859  
 4:00 PM - 6:00 PM IMT, Lab 200  
 Discover how to create Interactive Videos that support student success in any subject area using Windows Movie Maker. Explore the endless possibilities of how videos can be used to break the learning barrier, build self-confidence, and reinforce student achievement. Participants will learn how to create, edit, and capture interactive videos that promote student achievement in all subject areas. Participants will discover new ways to incorporate Movie Maker into student projects such as: research documentaries, persuasive commercials, and public service announcements.

**Digital Cameras with Promethean in the Classroom**

12/8/2009 Avatar #: 1195.2839  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Learn how to use digital cameras to capture images and videos of everyday objects in conjunction with your Promethean Board. Activities can be used with specific content areas to support lessons.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

12/3/2009 Avatar #: 839.2831  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActiVotes (ES/MS only)**

12/8/2009 Avatar #: 839.2754  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActiVotes (ES/MS only)**

12/10/2009 Avatar #: 839.2733  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**SharePoint Refresher for Campus Websites**

12/3/2009 Avatar #: 1204.2887  
 5:00 PM - 7:00 PM PDC, Lab 020  
 This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

**Easy, Fast, and Free Technology**

12/8/2009 Avatar #: 1203.2886  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Discover how easy it is to uncover the excitement of learning through technology. Learn to spark enthusiasm and empower your students to become global digital citizens. Don't let the dust settle any longer; use technology in your classroom to access over 100 wonderful online resources.

**Lesson Planning with ActiExpressions (HS only)**

12/10/2009 Avatar #: 838.2826  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Web 2.0 in the Classroom**

12/10/2009 Avatar #: 1199.2947  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**Excel with DataSmart**

12/10/2009 Avatar #: 1280.2716  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Come explore some of the basic functions and learn quick tips to help you become more efficient in your use of Excel. This session is for the basic user of Excel. Learn how to format cells, import data and more while using your DataSmart data.

**Lesson Planning with ActivExpressions (HS only)**

1/12/2010 Avatar #: 838.2830  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**ActivInspire: Advanced Techniques**

1/12/2010 Avatar #: 1279.2718  
 4:00 PM - 6:00 PM PDC, Lab 020  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

1/12/2010 Avatar #: 839.2691  
 5:00 PM - 7:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Classroom Management Utilizing Technology**

1/12/2010 Avatar #: 1197.2757  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Teachers increase classroom management by integrating technology.  4:00 PM - 6:00 PM IMT, Lab 200  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**Promethean ActivInspire Migration**

1/19/2010 Avatar #: 1266.2903  
 4:00 PM - 6:00 PM IMT, Lab 205  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActivExpressions (HS only)**

1/19/2010 Avatar #: 838.2925  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActiVotes (ES/MS only)**

1/19/2010 Avatar #: 839.2758  
 5:00 PM - 7:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivExpressions (HS only)**

1/21/2010 Avatar #: 838.2836  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**ActivInspire: Advanced Techniques**

1/21/2010 Avatar #: 1279.2720  
 4:00 PM - 6:00 PM PDC, Lab 006  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

1/21/2010 Avatar #: 839.2695  
 5:00 PM - 7:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**21st Century Skills for the Science Classroom**

1/21/2010 Avatar #: 1209.2686  
 5:00 PM - 7:00 PM PDC, Lab 020  
 Learn how to incorporate 21st Century skills into your classroom. Experience the integration of digital application and subject content via a Science-centered exploration using the actual technology applications.

**Promethean ActivInspire Migration**

1/26/2010 Avatar #: 1266.2895  
 4:00 PM - 6:00 PM IMT, Lab 200  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Web 2.0 in the Classroom**

1/26/2010 Avatar #: 1199.2943  
 5:00 PM - 7:00 PM IMT, Lab 205  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**Classroom Management Utilizing Technology**

1/28/2010 Avatar #: 1197.2759  
 5:00 PM - 7:00 PM IMT, Lab 205  
 Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations prior to attending this session.

**Lesson Planning with ActivExpressions (HS only)**

1/26/2010 Avatar #: 838.2926  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**ActivInspire: Advanced Techniques**

1/28/2010 Avatar #: 1279.2722  
 4:00 PM - 6:00 PM IMT, Lab 200  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Lesson Planning with ActivVotes (ES/MS only)**

1/28/2010 Avatar #: 839.2762  
 5:00 PM - 7:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivVotes (ES/MS only)**

1/26/2010 Avatar #: 839.2760  
 4:00 PM - 6:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivExpressions (HS only)**

1/28/2010 Avatar #: 838.2927  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivExpressions (HS only)**

2/2/2010 Avatar #: 838.2840  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Digital Cameras with Promethean in the Classroom**

2/2/2010 Avatar #: 1195.2841  
 4:00 PM - 6:00 PM PDC, Lab 006  
 Learn how to use digital cameras to capture images and videos of everyday objects in conjunction with your Promethean Board. Activities can be used with specific content areas to support lessons.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

**Lesson Planning with ActivVotes (ES/MS only)**

2/2/2010 Avatar #: 839.2696  
 5:00 PM - 7:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Data Analysis with Excel**

2/2/2010 Avatar #: 1196.2808  
 5:00 PM - 7:00 PM PDC, Lab 020  
 Teach your students the basics of data analysis with Excel. Learn how to generate histograms and graph linear functions. Use Excel's powerful tools to perform data analysis. Download the Data Analysis add-in for Excel and apply and interpret its results to a set of data. Finally, explore other features in Excel.

**Lesson Planning with ActivExpressions (HS only)**

2/4/2010 Avatar #: 838.2937  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivVotes (ES/MS only)**

2/4/2010 Avatar #: 839.2735  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**SharePoint Refresher for Campus Websites**

2/4/2010 Avatar #: 1204.2862  
 4:00 PM - 6:00 PM PDC, Lab 006  
 This session is an overview of key concepts to create and maintain your campus website. Features, news articles and Photo Galleries will be reviewed, as well as creating pages. This course is for Campus Web Managers.

**Prerequisite:** This training is for Campus Web Managers who have been designated by their principal to manage the campus website.

**Web 2.0 in the Classroom**

2/4/2010 Avatar #: 1199.2946  
 4:00 PM - 6:00 PM PDC, Lab 020  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**ActivInspire: Advanced Techniques**

2/9/2010 Avatar #: 1279.2724  
 4:00 PM - 6:00 PM IMT, Lab 200  
 As a follow-up to ActivInspire Foundations, this workshop will provide you with techniques to bolster your lessons. Learn to keep students engaged in the content and motivated to learn and participate from start to finish.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivInspire Foundations* training prior to attending this session.

**Lesson Planning with ActivExpressions (HS only)**

2/9/2010 Avatar #: 838.2928  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Promethean ActivInspire Migration**

2/9/2010 Avatar #: 1266.2904  
 5:00 PM - 7:00 PM IMT, Lab 205  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActivVotes (ES/MS only)**

2/9/2010 Avatar #: 839.2764  
 5:00 PM - 7:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Web 2.0 in the Classroom**

2/11/2010 Avatar #: 1199.2941  
 4:00 PM - 6:00 PM IMT, Lab 200  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**Promethean ActivInspire Migration**

2/11/2010 Avatar #: 1266.2905  
 4:00 PM - 6:00 PM IMT, Lab 205  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActivExpressions (HS only)**

2/11/2010 Avatar #: 838.2929  
 4:00 PM - 6:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivVotes (ES/MS only)**

2/11/2010 Avatar #: 839.2769  
 5:00 PM - 7:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivVotes (ES/MS only)**

2/16/2010 Avatar #: 839.2697  
 4:00 PM - 6:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivExpressions (HS only)**

2/16/2010 Avatar #: 838.2842  
 4:00 PM - 6:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**From Frameworks to Flipcharts**

2/16/2010 Avatar #: 836.2768  
 4:00 PM - 6:00 PM PDC, Lab 006  
 From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Promethean ActivInspire Migration**

2/16/2010 Avatar #: 1266.2911  
 4:00 PM - 6:00 PM PDC, Lab 020  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Promethean ActivInspire Migration**

2/18/2010 Avatar #: 1266.2896  
 4:00 PM - 6:00 PM IMT, Lab 200  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

2/18/2010 Avatar #: 839.2766  
 4:00 PM - 6:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Easy, Fast, and Free Technology**

2/18/2010 Avatar #: 1203.2876  
 5:00 PM - 7:00 PM IMT, Lab 205  
 Discover how easy it is to uncover the excitement of learning through technology. Learn to spark enthusiasm and empower your students to become global digital citizens. Don't let the dust settle any longer; use technology in your classroom to access over 100 wonderful online resources.

**Lesson Planning with ActiExpressions (HS only)**

2/18/2010 Avatar #: 838.2930  
 5:00 PM - 7:00 PM PDC, Lab 006  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Excel with DataSmart**

2/23/2010 Avatar #: 1280.2717  
 4:00 PM - 6:00 PM PDC, Lab 006  
 Come explore some of the basic functions and learn quick tips to help you become more efficient in your use of Excel. This session is for the basic user of Excel. Learn how to format cells, import data and more while using your DataSmart data.

**Promethean ActivInspire Migration**

2/23/2010 Avatar #: 1266.2912  
 4:00 PM - 6:00 PM PDC, Lab 020  
 This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActiVotes (ES/MS only)**

2/23/2010 Avatar #: 839.2698  
 5:00 PM - 7:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActiExpressions (HS only)**

2/23/2010 Avatar #: 838.2846  
 5:00 PM - 7:00 PM IMT, Lab 205  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Interactive Educational Games with the Promethean Board**

2/25/2010 Avatar #: 1283.2798  
4:00 PM - 6:00 PM PDC, Lab 006  
Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**Promethean ActivInspire Migration**

2/25/2010 Avatar #: 1266.2913  
4:00 PM - 6:00 PM PDC, Lab 020  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Promethean ActivInspire Migration**

3/11/2010 Avatar #: 1266.2898  
5:00 PM - 7:00 PM IMT, Lab 200  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActiVotes  
(ES/MS only)**

3/4/2010 Avatar #: 839.2772  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with  
ActivExpressions (HS only)**

3/9/2010 Avatar #: 838.2932  
5:00 PM - 7:00 PM PDC, Lab 006  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Interactive Educational Games with  
the Promethean Board**

3/11/2010 Avatar #: 1283.2801  
5:00 PM - 7:00 PM IMT, Lab 205  
Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

**Lesson Planning with  
ActivExpressions (HS only)**

3/11/2010 Avatar #: 838.2933  
5:00 PM - 7:00 PM PDC, Lab 006  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with  
ActivExpressions (HS only)**

3/23/2010 Avatar #: 838.2855  
5:00 PM - 7:00 PM IMT, Lab 205  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Desktop Publishing with Microsoft  
Word**

3/25/2010 Avatar #: 831.2829  
5:00 PM - 7:00 PM IMT, Lab 200  
While Microsoft Word is still first and foremost a word processor, it is frequently used to create publications normally created by page layout programs. For some users, it may be the only desktop publishing tool they need. Designed primarily for text-focused documents, Word and other word processors can still be used for combining text and graphics into fliers, brochures, newsletters, or business cards. Explore how you can use the desktop publishing capabilities of Word in your classroom.

**Lesson Planning with ActivVotes  
(ES/MS only)**

3/11/2010 Avatar #: 839.2780  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Promethean ActivInspire Migration**

3/23/2010 Avatar #: 1266.2920  
5:00 PM - 7:00 PM PDC, Lab 006  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Promethean ActivInspire Migration**

3/25/2010 Avatar #: 1266.2907  
5:00 PM - 7:00 PM IMT, Lab 205  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Lesson Planning with ActivVotes  
(ES/MS only)**

3/23/2010 Avatar #: 839.2702  
5:00 PM - 7:00 PM IMT, Lab 200  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with ActivVotes  
(ES/MS only)**

3/23/2010 Avatar #: 839.2783  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Lesson Planning with  
ActivExpressions (HS only)**

3/25/2010 Avatar #: 838.2934  
5:00 PM - 7:00 PM PDC, Lab 006  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Lesson Planning with ActiVotes (ES/MS only)

3/25/2010 Avatar #: 839.2786  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Classroom Management Utilizing Technology

3/30/2010 Avatar #: 1197.2761  
5:00 PM - 7:00 PM PDC, Lab 006  
Teachers increase classroom management by integrating technology. From bell ringers to tickets-out-the-door, remediation to scaffolding, and class participation to time management -- technology is a teacher's friend, not a foe. Promethean ActivInspire and educational technology websites are great tools to aid FWISD teachers in their classroom management.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations prior to attending this session.

### Lesson Planning with ActiVotes (ES/MS only)

4/1/2010 Avatar #: 839.2739  
5:00 PM - 7:00 PM IMT, Lab 205  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Lesson Planning with ActiVotes (ES/MS only)

3/30/2010 Avatar #: 839.2704  
5:00 PM - 7:00 PM IMT, Lab 200  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Lesson Planning with ActiVotes (ES/MS only)

3/30/2010 Avatar #: 839.2789  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Creating a Photo Story 3 Video for Classroom Integration

4/1/2010 Avatar #: 1198.2785  
5:00 PM - 7:00 PM PDC, Lab 006  
Create a Photo Story 3 Video for Classroom Integration in 30 minutes or less. Use Photo Story 3 to create a movie using JPEG pictures. Learn how to add text, special effects, narratives, and how to integrate created movies into Promethean flipcharts.

### Lesson Planning with ActiExpressions (HS only)

3/30/2010 Avatar #: 838.2858  
5:00 PM - 7:00 PM IMT, Lab 205  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiExpression student response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Digital Cameras with Promethean in the Classroom

4/1/2010 Avatar #: 1195.2844  
4:00 PM - 6:00 PM IMT, Lab 200  
Learn how to use digital cameras to capture images and videos of everyday objects in conjunction with your Promethean Board. Activities can be used with specific content areas to support lessons.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

### Lesson Planning with ActiVotes (ES/MS only)

4/1/2010 Avatar #: 839.2791  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Easy, Fast, and Free Technology**

4/6/2010 Avatar #: 1203.2879  
 4:00 PM - 6:00 PM IMT, Lab 205  
 Discover how easy it is to uncover the excitement of learning through technology. Learn to spark enthusiasm and empower your students to become global digital citizens. Don't let the dust settle any longer; use technology in your classroom to access over 100 wonderful online resources.

**Lesson Planning with ActivVotes (ES/MS only)**

4/6/2010 Avatar #: 839.2706  
 5:00 PM - 7:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Web 2.0 in the Classroom**

4/6/2010 Avatar #: 1199.2948  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Explore interactive, collaborative, free web-based applications to facilitate learning. Discuss the definition of Web 2.0 and why it is a great tool for educators. We will also explore the difference between a Digital Native vs. a Digital Immigrant.

**Lesson Planning with ActivVotes (ES/MS only)**

4/6/2010 Avatar #: 839.2794  
 5:00 PM - 7:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Document Camera Projects with Movie Maker**

4/8/2010 Avatar #: 832.2864  
 4:00 PM - 6:00 PM IMT, Lab 205  
 Discover how to create Interactive Videos that support student success in any subject area using Windows Movie Maker. Explore the endless possibilities of how videos can be used to break the learning barrier, build self-confidence, and reinforce student achievement. Participants will learn how to create, edit, and capture interactive videos that promote student achievement in all subject areas. Participants will discover new ways to incorporate Movie Maker into student projects such as: research documentaries, persuasive commercials, and public service announcements.

**Lesson Planning with ActivVotes (ES/MS only)**

4/8/2010 Avatar #: 839.2707  
 5:00 PM - 7:00 PM IMT, Lab 200  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**Creating a Photo Story 3 Video for Classroom Integration**

4/8/2010 Avatar #: 1198.2787  
 5:00 PM - 7:00 PM PDC, Lab 006  
 Create a Photo Story 3 Video for Classroom Integration in 30 minutes or less. Use Photo Story 3 to create a movie using JPEG pictures. Learn how to add text, special effects, narratives, and how to integrate created movies into Promethean flipcharts.

**Lesson Planning with ActivVotes (ES/MS only)**

4/8/2010 Avatar #: 839.2796  
 5:00 PM - 7:00 PM PDC, Lab 020  
 The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActivVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**From Frameworks to Flipcharts**

4/13/2010 Avatar #: 836.2770  
 4:00 PM - 6:00 PM IMT, Lab 205  
 From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

### Lesson Planning with ActiVotes (ES/MS only)

4/13/2010 Avatar #: 839.2709  
5:00 PM - 7:00 PM IMT, Lab 200  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Excite Your Social Studies Classroom

4/13/2010 Avatar #: 1281.2736  
5:00 PM - 7:00 PM PDC, Lab 006  
Bring excitement into your Social Studies classroom with ActivInspire flipcharts! This session shows how to integrate the use of this new technology into your social studies curriculum. Learn how to engage and motivate your students with interactive flipcharts, photos, maps and multimedia.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

### Lesson Planning with ActiVotes (ES/MS only)

4/13/2010 Avatar #: 839.2799  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Document Camera Projects with Movie Maker

4/15/2010 Avatar #: 832.2860  
4:00 PM - 6:00 PM IMT, Lab 200  
Discover how to create Interactive Videos that support student success in any subject area using Windows Movie Maker. Explore the endless possibilities of how videos can be used to break the learning barrier, build self-confidence, and reinforce student achievement. Participants will learn how to create, edit, and capture interactive videos that promote student achievement in all subject areas. The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

**From Frameworks to Flipcharts**

4/27/2010 Avatar #: 836.2771  
5:00 PM - 7:00 PM IMT, Lab 200  
From Frameworks to Flipcharts will aid you in adding rigor and relevance to your lessons while working efficiently. This workshop will assist you in bridging the digital gap between FWISD's newest digital educational tools and resources.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training and be able to successfully log into the Curriculum Frameworks.

**Promethean ActivInspire Migration**

4/27/2010 Avatar #: 1266.2908  
5:00 PM - 7:00 PM IMT, Lab 205  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActivInspire. In this session, you will learn how to develop flipcharts in ActivInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActivStudio Foundations* training prior to attending this session.

**Excite Your Social Studies Classroom**

4/27/2010 Avatar #: 1281.2740  
5:00 PM - 7:00 PM PDC, Lab 006  
Bring excitement into your Social Studies classroom with ActivInspire flipcharts! This session shows how to integrate the use of this new technology into your social studies curriculum. Learn how to engage and motivate your students with interactive flipcharts, photos, maps and multimedia.

**Prerequisite:** Participants must have attended a full day of Promethean Foundations training prior to attending this session.

### Lesson Planning with ActiVotes (ES/MS only)

4/27/2010 Avatar #: 839.2812  
5:00 PM - 7:00 PM PDC, Lab 020  
The Promethean ActivBoard comes with a number of exciting educational devices. One of these tools is the Promethean ActiVote response pads. You will learn how to set up and integrate this educational tool into your lessons. From activities to assessments, you will be on your way to an ActivClassroom.

**Prerequisite:** Participation is limited to teachers who have received ActivBoards and have completed a full day of Promethean Foundations training.

### Interactive Educational Games with the Promethean Board

4/29/2010 Avatar #: 1283.2803  
5:00 PM - 7:00 PM IMT, Lab 200  
Learn to implement interactive flipcharts like Wheel of Fortune and Jeopardy! for everyday lessons, content review, and just to have fun learning! Participants learn to use and modify various flipchart templates.

**Prerequisite:** Participants must have completed a full day of Promethean Foundations training prior to attending this session.

### Promethean ActiInspire Migration

4/29/2010 Avatar #: 1266.2909  
5:00 PM - 7:00 PM IMT, Lab 205  
This class focuses on the differences between Promethean ActivStudio and the new version of Promethean ActiInspire. In this session, you will learn how to develop flipcharts in ActiInspire.

**Prerequisite:** Participants must have completed a full day of *Promethean ActiStudio Foundations* training prior to attending this session.

### Lesson Planning with ActiVotes (ES/MS only)

4/29/2010 Avatar #: 839.2827  
5:00 PM - 7:00 PM PDC, Lab 006
