### Expectations

Various Technology trainings are offered through the district to support life-long learners with 21<sup>st</sup> century competencies. Our courses will show you how to use educational technology hardware and software in the classroom to help provide rigor and relevance to your courses and lessons. These trainings can be accessed through Avatar.

By attending a specified number of training hours, you will receive your choice of new technology items to be used in your classroom while employed with the Fort Worth ISD.

### Important Information

#### **November 20, 2009**

Complete courses by this date to receive your equipment during the 1<sup>st</sup> round of deliveries.

#### **May 13, 2009**
