

Lesson Plans on Curriculum Frameworks One Pager

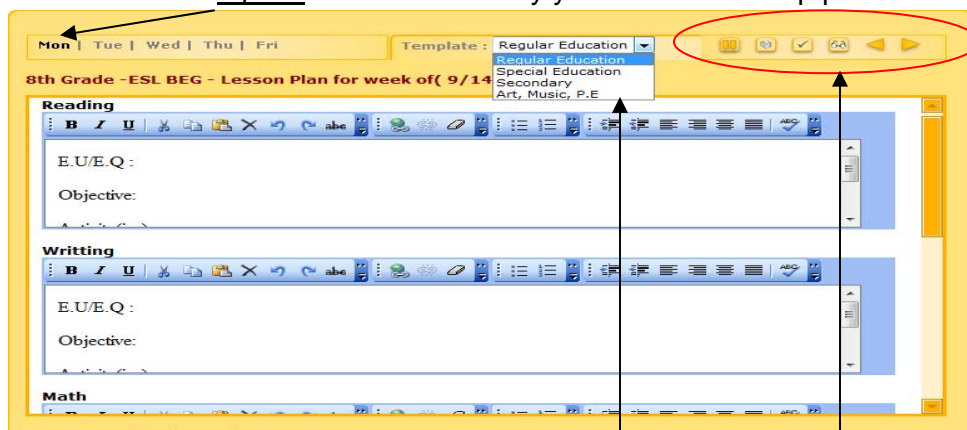

1. Log-on to the FWISD Frameworks.
2. Select the **Lesson Plans** Button.

3. After selecting the Lesson Plans button the following screen options appear.
4. To Create a New Lesson Plans click on the **New Lesson Plan** link.

Previously made lesson will be displayed in the middle of the screen.
In this case there are no Lesson Plans for 8th Grade English – 1st 6 Weeks, 1st Module.

5. You can use the tabs on the top left to choose the day you want to develop plans.

6. Select the lesson plan template needed by using the drop-down menu.
7. Use the **tool buttons** on the right to split the view, print, save, go back to view and toggle between Next and Previous Modules.
