

Diamond Hill-Jarvis High School is now using electronic forms for their athletic packet.

The only form that is turned in to the Athletic Trainer is the two-sided Medical History/Physical page

Tips:

1. Please use your legal name, the same as it is in Focus.
2. Forms do not save, thus a parent and the student **MUST** be together for them to be signed and submitted.
3. Click at the bottom of each page and enter an email address; then click submit. This will send you a conformation email that the form was accepted. If you do not receive an email, then the form was not accepted.
4. There are 6 forms that must be completed. Each must be submitted individually.

To access the form please follow these steps:

1. Go to <http://fortworthisd.rankonesport.com>
2. Click on Electronic Participation Forms
3. Fill out all 6 form individually. Please use your legal name as it is in Focus.
4. Enter an email address and then click submit at the bottom of the page.
