North Side HS	Roxanne Wueste	<a href="mailto:roxanne.wueste@fwisd.org">roxanne.wueste@fwisd.org</a>	Khan Academy is incorporated into math and English classes at all grade levels. Teachers monitor Khan SAT/PSAT practice for all students unless they are taking TCB. <a href="#">Khan Academy - Click Here to Start Learning</a>	The ACCUPLACER Student Portal now contains a link to Learning Resources, where hundreds of learning exercises are available to help strengthen students' knowledge. <a href="#">Click Here To Start Learning</a>
O D Wyatt HS	Corey Wegner	<a href="mailto:Corey.wegner@fwisd.org">Corey.wegner@fwisd.org</a>	SAT Tutorials after school, Khan Academy and Edgenuity, and SAT Club. <a href="#">Khan Academy - Click Here to Start Learning</a>	The ACCUPLACER Student Portal now contains a link to Learning Resources, where hundreds of learning exercises are available to help strengthen students' knowledge. <a href="#">Click Here To Start Learning</a>
Paschal HS	Teri Blaisdale	<a href="mailto:Teri.blaisdale@fwisd.org">Teri.blaisdale@fwisd.org</a>	Khan Academy, Edgenuity, In-class reviews for SAT/PSAT Spring using the students own test books from the fall PSAT and the Question Analysis provided on the College Board website. Teachers in English and Math are all expected to spend time using the PSAT. 3-day summer SAT Bootcamp book and discussing strategies for finding the correct answers. Unused test books are available for students who did not test in the fall. This plan was developed with the Department Chairs who will be overseeing the implementation in their departments. The PSS identifies the math teacher for all test booklets and returns the test booklet to students through their math class. Students are instructed to keep their test booklet with them as they will also be using them in their English classes. <a href="#">Khan Academy - Click Here to Start Learning</a>	The ACCUPLACER Student Portal now contains a link to Learning Resources, where hundreds of learning exercises are available to help strengthen students' knowledge. <a href="#">Click Here To Start Learning</a>
Polytechnic HS	Phillip Collier	<a href="mailto:Phillip.Collier@fwisd.org">Phillip.Collier@fwisd.org</a>	In-school - Teachers will be encouraged to deliver Friday's C-Day shortened classes as "Test Prep Friday" since these days are often too short for regular lessons. Instructions and resources will be provided to teachers to teachers for each grade level. <a href="#">Khan Academy - Click Here to Start Learning</a>	The ACCUPLACER Student Portal now contains a link to Learning Resources, where hundreds of learning exercises are available to help strengthen students' knowledge. <a href="#">Click Here To Start Learning</a>
South Hills HS	Cinda Andrews	<a href="mailto:cinda.andrews@fwisd.org">cinda.andrews@fwisd.org</a>	Student Guide (review), Khan Academy, Uworld, Edgenuity, Teacher driven – Format, Strategies, Timed sections, Full-length exam; ELA/math classes, AVID classrooms; After School - 1 ELA teacher/1 math teacher. <a href="#">Khan Academy - Click Here to Start Learning</a>	The ACCUPLACER Student Portal now contains a link to Learning Resources, where hundreds of learning exercises are available to help strengthen students' knowledge. <a href="#">Click Here To Start Learning</a>
Southwest HS	Sam Moseley	<a href="mailto:Samuel.moseley@fwisd.org">Samuel.moseley@fwisd.org</a>	The Post-Secondary Success Specialist and the College and Career Readiness Coach will sign up any students who are interested, and will help the students connect their CollegeBoard accounts to their Khan Academy accounts for the most effective and personalized test prep possible using this system. <a href="#">Khan Academy - Click Here to Start Learning</a>	The ACCUPLACER Student Portal now contains a link to Learning Resources, where hundreds of learning exercises are available to help strengthen students' knowledge. <a href="#">Click Here To Start Learning</a>
