ALL SOUTH HI MOUNT PARENTS:

Beginning Monday, April 9th through the end of the week fourth and fifth grade students will be taking various STAAR tests. These tests are very important for our students and a good indicator of future school success.

Our campus will be conducting these tests under strict testing conditions; therefore, the campus will be closed to ALL visitors from Monday, April 9th through Friday, April 13th in an effort to keep outside noise and disturbances to a minimum. This includes dropping off lunches for students.

Thank you for doing your part to help all of our students at South Hi Mount have a successful testing experience.
