Thank you for your support of the Benbrook Middle-High School High School Whiz Quiz team!!!!!!

**The matches will begin promptly at 4:30.** If you would like to follow me to the away matches, please plan to depart the campus bus area at 3:35. If you will not be following me, please make every effort to **arrive at the match site by 4:20** so that the Benbrook team will not have to forfeit the game. Games will be over by 6 p.m. Students should be picked up at Benbrook or the school the away match is held.

Because we do not receive buses for away matches, students who want to participate must arrange their own transportation.
