

Your Access Card (ID badge), provided by HCM will be active within 48 hours after receiving it. If there is an issue with your badge after the initial 48 hours, please email Jeremy.Rejcek@fwisd.org or Kevin.Bentley@fwisd.org in the FWISD Security department. In your email, you will need to provide your Access ID number, (see the picture below), and your Employee ID number. If it is determined that your badge is bad or needs more testing, you will be directed to HCM.
