

1 MILLION PROJECT HOTSPOT

High School Students Only

Parents answered questions in Online Registration that determined student eligibility.

If you do have reliable internet access at home, is it fast enough that you can do your homework without waiting for long periods of time for websites to load?

Would you use the free 1 Million Project device and high-speed internet access to help you achieve your full potential in school and in life?

WILL NOT RECEIVE A HOTSPOT

Would you use the free 1 Million Project device and high-speed internet access to help you achieve your full potential in school and in life?

Did parent sign the device agreement?

WILL NOT RECEIVE A HOTSPOT

Did parent sign the device agreement?

WILL NOT RECEIVE A HOTSPOT

WILL RECEIVE A HOTSPOT

WILL RECEIVE A HOTSPOT

If parents selected No Internet at home, the 1 Million question is blank, and the device agreement was signed, the student receives a hotspot.
