

Quick Reference Guide

itsLearning Logging In

Getting Started

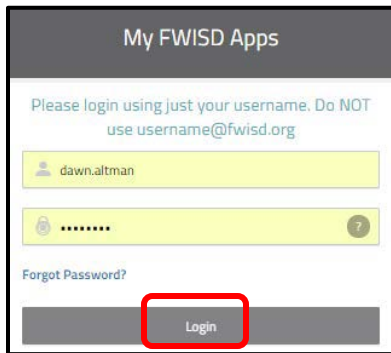

itsLearning is a learning management system (LMS) teachers use to create and deliver online content to students in a 1:1 classroom. The itsLearning (LMS) provides teachers with a variety of online collaboration tools.

Logging In

1. **Go** to my.fwisd.org

2. **Enter** district active directory credentials

My FWISD Apps

Please login using just your username. Do NOT use username@fwisd.org
