Decision-Making

Include families as partners in school decisions, governance, and advocacy activities through school councils or improvement teams, committees, PTA/PTO, and other parent organizations. Assist family and teacher representatives in obtaining information from and giving information to those they represent.

Parenting

Parenting skills, family support and understanding child/adolescent development can support learning at each age and grade level. It's important for schools to understand family backgrounds, cultures and goals for children when developing outreach and programs.

In-Kind School Reporting

In kind donations are defined as any donations other than cash. It is important for campuses to report in kind donations throughout the year so Community & Strategic Partnerships can obtain a glimpse into the amount of support each campus receives, as well as the District as a whole. Many donors of in-kind goods or services can be cultivated into an ongoing partnership and support for the campus.
