Hello Scorpions!

We are excited to welcome you to the 2023-204 school year at South Hills High School. We hope that you had an enjoyable summer and are ready to get back. Our teachers and staff have prepared for your arrival and are excited to see you success this year. At South Hills we have a strong tradition of igniting school pride, developing leaders, and cultivating a fun and supportive community.

You have a wide range of classes that prepare you for college through our OnRamps program with UT Austin, TSI Prep courses, Advanced Placement courses and a dual-credit program at TCC. Additionally, our extra-curricular program offers athletics, visual arts, band, orchestra, choir, JROTC, theater, dance, cheer, gaming, clubs and many more. Get involved.

Our focus this year is Pathways to Success. Every student has a path for their success. And we know that to be successful you need to show up, work hard, and be respectful.

As the days grow closer to the start of school, begin thinking about finding a club or extra-curricular activity of your interest to join this year.

Our bell schedule is below. The first bell is 8:10 am. Remember that tardies and absences cause you to loose learning time so it is important that you are in every class every day, every period to be successful.

Check FOCUS for your schedule on the first day of school.

See you on Monday!

Principal Rodrigo Durbin

Jennifer Kleiber, Assistant Principal 11th/12th Grades
Leticia Esparza, Assistant Principal 9th/10th Grades
Dale Daniel, Assistant Principal
Mike Mihalik, Assistant Principal

Welcome to the 2023-2024 School Year!
