

# Woodway Elementary School

## Mission & Vision

### **MISSION STATEMENT**

To empower students to become prepared life-long learners and productive problem solvers through diverse, enriched, and differentiated learning experiences that will positively affect their communities and provide opportunities to compete globally.

### **VISION STATEMENT**

Woodway Elementary strives to develop Partnerships with parents, community members, and all other stakeholders in order to continuously provide high quality education that reaches all students.

Preparing **ALL** students for success in college, career and community leadership
