

Texas Academy of Biomedical Sciences (TABs), Early College High School - Virtual Instruction Plan

Updated September 28, 2020 with changes in effect October 5th

Important

Attendance: Students **MUST** complete the “Daily Check-in” with each Google Classroom on that day’s schedule – This is for classroom engagement and daily attendance. If students do not check in by the end of the day they will be counted absent.

How to be successful in online learning – While some student will need to do their learning in the evening or times outside the school day, students will be **MOST SUCCESSFUL** if they follow the TABs Daily Schedule below and log in to google classroom at the times below. Students will have the most support by doing this and then using teacher office hours for additional support.

Students are encouraged to follow this same schedule for their college courses in order to structure their school day. If the student schedule shows a Dual Credit course period 2 then the student should use the period 2 time listed below to work on that course. They will not be asked to do other work at that time.

Weekly Schedule

Monday/Wednesday – Students will attend periods 1,2,3,4

Tuesday/Thursday- Students will attend periods 5,6,7,8
