

Benbrook Bobcat 2020 Football Season - Ticket Policy:

As the 2020 football season approaches, we continue to face challenges due to COVID-19, and as a result, many new requirements and recommendations from local health officials, TEA, UIL, and the governor's office have been established. One of the most impactful requirements for spectators will be the maximum capacity limit for athletic venues, which is currently set at 50%. Due to the capacity limit, we will not be able to offer the same amount of game tickets for the 2020 football season. Additionally, all games at every venue will not accept District Passes, Sr. Citizen Passes, No School ID Badges, and No THSCA cards will be accepted.

Currently, the football facility at Benbrook Middle-High School on the campus of BMHS can only offer 200 seats. 100 seats for the Bobcats and 100 seats for our Opponents. Fort Worth ISD central site stadiums (Farrington Field, Clark Stadium, and Scarborough-Handley Field) will have a much larger capacity. The district will release seating capacity and ticket policy for the central sites within the next few weeks. Parents of students playing or performing during the games will get first access to the seats.

For this week's Football Games, the following Ticket policy's will be in place.

Sub-Varsity Football Ticket Policy vs. Weatherford H.S.-Wednesday, October 21, 2020:

For the Sub-Varsity game that will be held on Wednesday, October 21, 2020 at 5:30pm at Benbrook Middle-High School vs. Weatherford H.S., we will follow the same exact procedures we followed for the other Sub-Varsity Games we have played at home this year. The Bobcat Coaches will send a google forms link out to the athletes and parents. BMHS Football will send our link out via the Sports-You app. Each player will be allowed to add two family members to the guest pass list for their respective team. Only family members on the guest pass list will be allowed to attend the game. We will not have any wiggle room on the seating capacity.
