TEACHERS: Achieve3000 Teacher Log-in Information

Teachers log-in to Achieve 3000 with Active Directory credentials.

STUDENTS: Achieve 3000 Student Log-in Information

Achieve 3000 is for students in 2nd through 12th grade. Students log-in to Achieve 3000 with their Active Directory usernames and passwords. Once a student has logged-in, the student should verify that their name is displayed in the upper right-hand corner of the screen. Secondary students should use the password they have set for their Active Directory password.
