

Texas Academy of Biomedical Sciences –10th Grade Level PLC Agenda

Jan. 7, 2020

1. Brags

- No workplace accidents in 89 days.
- Cowtown coming up and has been a TABS tradition in participation.
-

2. Student Concerns

- Student 1 – home issues. Starting on a Behavior Growth Plan. Working on ways to improve grades, effort, and behavior to be most successful.
- 18 students failed two or more classes and now have PGP (Personal Graduation Plan); will re-evaluate to continue with the Weds Lunch Academic Advancement to begin soon. Also, their status with averaging to pass courses for the year and status at TCC.
- No sophomores appear to be leaving TABS for other schools at the semester.

3. Support of grade and grade level sponsors

- Cowtown coming up. Kids need to be supported for getting students and having shoes available.
- Provided some food and toiletries for students over the holiday break.

4. Important dates and events (including curriculum/projects/major tests)

- Kimbell Museum trip Jan. 9. Have handed out field trip permission forms. Groups will be split into two groups.
- TCC semester starts Monday.
- Friday will be an 'A' day.
