

Texas Academy of Biomedical Sciences –10th Grade Level PLC Agenda

Oct. 22, 2019

1. Brags
 - One student was identified as doing an excellent job.
 -
2. Student Concerns
 - Recapped one student's parent conference and academic performance.
 - Crawford and Smith gave list of students in danger of failing TCC classes.
 - Another student is failing almost all classes; repeatedly tells teachers that she promises to turn in, but with no results. Have already talked with counselor and intervention specialist.
 - Another student needs to have a parent conference after repeated behavior incidents in various classes; maybe needs a behavior improvement plan of some sort; discussing other steps that can be taken. Inviting parent for a meeting.
3. Support of grade and grade level sponsors
 - Crawford and Blythe organizing field trip to Kimbell Museum on Jan. 9; Sophomore teachers and parents needed as chaperones.
4. Important dates and events (including curriculum/projects/major tests)
 - Still questions about the Oct. 30 field trip to Midwestern State Univ. UPDATE, this has been canceled.
 - Halloween haunted house on Friday may need support.
 - Nov. 22 is filed trip to Wesleyan
