

Texas Academy of Biomedical Sciences –10th Grade Level PLC Agenda

Dec. 3, 2019

1. Brags

- No workplace accidents in 62 days.
- Field Trip is complete and lunch went well!
- Kurima had a successful training trip to Australia.
- Mrs. Elliott is organizing the Spirit of Effort Awards. Teachers should turn in their awards ASAP!
- Food Pantry sent out food to five different homes during Thanksgiving Basket drive!

2. Student Concerns

- Last time of the semester for the Weds Lunch Academic Advancement .
- When grouping students on big trips, need to consider placing some kids with others who have a history of issues together.
- Teachers and Munoz contacting parents about end of semester grade concerns and looking forward to Spring semester.
- Student 1 – did turn in work early for class 1, much better interaction and participation in class 2, but still having turn in and behavior issue in class 3. Remind student of behavior plan and use positive discussions.

3. Support of grade and grade level sponsors

- Want to find a firm opportunity for 10th graders to volunteer. Some kids have difficulty finding opportunities on their own and need more guidance. Cowtown? Others?
- Munoz and Moreno are organizing another Holiday Basket drive.
- Visiting some students playing sports for other schools is positive for the students.

4. Important dates and events (including curriculum/projects/major tests)

- EOC retest Dec. 10-12.
- Kimbell Museum trip Jan. 9. Have handed out field trip permission forms.
