

Texas Academy of Biomedical Sciences –10th Grade Level PLC Agenda

Feb. 11, 2020

1. Brags

- No workplace accidents in 28 days.
- Cowtown coming up and has been a TABS tradition in participation. About 25 signed up.
- Jay was first to turn in his heart for Fill Your Heart
- Smith has the first 3-D print turned in; it is a lab turned wiener dog.

2. Student Concerns

- Student 1 and 2 – absent and in danger of falling very far behind in classes; Stay in School coordinator being notified.
- Student 3 – possibly purposefully missing PE; also having stress and/or cognitive difficulties in multiple classes. Teachers have the liberty to provide modifications that will help students be more successful. Kurima will follow up with student.

3. Support of grade and grade level sponsors

- Cowtown
- Wednesday Smith's Academic Advancement tutoring group is resuming next Wednesday
- Next week will look at data for Comprehensive Needs Assessment and possibly master schedule planning for 2020/21.
- Working on ensuring Everfi is still in active and in-place.

4. Important dates and events (including curriculum/projects/major tests)

- Cowtown coming up.
- 8th grade registration night is tonight.
