

Texas Academy of Biomedical Sciences –10th Grade Level PLC Agenda

Feb. 25, 2020

1. Brags
 - No workplace accidents in 42 days.
 - Cowtown coming up and has been a TABS tradition in participation. About 25 signed up.
2. Student Concerns
 - Student 1 -
3. Support of grade and grade level sponsors
 - Comprehensive Needs Assessment – 3 goals; this year’s priorities vs needs
 - Kurima – “arc of progression of technology” use as students move from freshmen to seniors
 - Using Summer Bridge to begin prep process for student skills (Blackboard, powerpoint, Scientific Method, etc.); Grading pass rates have gone down in math and science, and others, some by about significant percentages, since last year;
 - Math TSI passing rate is a high concern; district provides Edgenuity; is ALEKS a possibility? Summer Bridge interferes with some opportunities for a small group of students to take A²I. Looking for all possibilities. Are computer science classes available to take as electives?
 - Possibility have a meeting to map out all possible advanced possibilities for students.
4. Important dates and events (including curriculum/projects/major tests)
 - Cowtown coming up.
