

## Texas Academy of Biomedical Sciences –10<sup>th</sup> Grade Level PLC Agenda

Nov. 19, 2019

1. Brags
  - No workplace accidents in 48 days.
  - Art and History; and Art and Physics both doing cross-curricular projects
  - Wednesday Lunch Academic Advancement with Dr. Smith and senior tutors working with struggling students went well again.
  - One teacher already got all their Advisory kids' permission slips turned in.
  - Ms. Blythe doing a great job to follow up and fulfill needs of students outside of school!
2. Student Concerns
  - Cycling out some of the Weds Lunch Academic Advancement some students for kids taking advantage and others not utilizing it. 3 coming off and 3 will be added to the list, some students who need some serious guidance.
  - Student 1 – motivation concern with completing work in Kimmel. Concerned he is shutting down as the semester is winding down. Refer to Moreno.
  - Student 2 – having attendance problems; may be lacking some structure needed to be organized and ready for school in the morning. Needs some cold weather clothes. Follow up to see what we can do to alleviate these problems.
3. Support of grade and grade level sponsors
  - Still trying to collect all permission slips for field trip on Friday.
  - Want to find a firm opportunity for 10<sup>th</sup> graders to volunteer. Some kids have difficulty finding opportunities on their own and need more guidance. Cowtown? Others?
4. Important dates and events (including curriculum/projects/major tests)
  - Nov. 22 is filed trip to Wesleyan; Henson coming with; last day before Thanksgiving break.
  - EOC retest Dec. 10-12.
