

## Texas Academy of Biomedical Sciences – Grade Level PLC Agenda

Monday, September 23, 2019 - notes by K. Elliott

Present: S. Munoz, K. Elliott, S. Spivey, C. Higdon, S. Moreno

### 1) Brags

- Mrs. Higdon bragged that all English I students turned in their essay on time.
- Mrs. Munoz bragged on a parent who came up for a parent conference despite having a medical issue three weeks prior.

### 2) Student Concerns

- Academic and College Readiness
  - Mrs. Elliott states that one student is still currently failing five classes. She has conferenced with them on what needs to be done to end the six weeks, and about lessons learned should they fail courses, and how to start fresh the second six weeks
  - Elliott stated that academic conference in advisory should begin soon if not already. Mrs. Hamiter has sent a list of the students she wants Mrs. Elliott to conference with – Mrs. Elliott asked Mr. Spivey and Mrs. Higdon to submit names as well.
- Behavior
  - One student's behavior was discussed – their inability to focus and refrain from commenting on every situation. Elliott to call parent. Higdon has already called the parent.
  - Ms. Moreno discussed recent student conferences and reports students are feeling overwhelmed, and one did not want to talk much about family matters
  - Six students of concern were divided between Mrs. Munoz and Ms. Moreno to check up on. They will report back next week.
- Attendance

- ### 3) General Concern – teachers wondered if the new printers were set up for WiFi, and how to add them to our printer list in our computers. Ms. Moreno thought you no longer needed that information, that you select to email the printing to the printer, then use your badge to finish. Elliott to verify.

For each concern

- Action Items: Who? What? Completion date?
- Review of Action Items: Who? What? What's next?

### 4) Support of grade and grade level sponsors

### 5) Important dates and events (including curriculum/projects/major tests)

- Ms. Moreno will go into advisories Oct. 2, 16 and 30 to complete the Lifelines Curriculum.
- Movie Night is Friday, Sept. 26

**Date, Grade Level, Attendees, and Meeting Notes** (Was “Grade Level PLC- Student Support Agenda” used? If so please list behavior of concern here):
