Testing plan for the TSIA

Because of the 2020 SARS-CoV-2 pandemic, the majority of TSIA testing was conducted online or in person at the TCC testing center, based on student requests. The exam is being offered to all students in person Mondays through Fridays and online at the student's convenience. Incoming students will have the opportunity to take the exam on campus during Summer Bridge in June 2021.

Students are provided an unlimited number of opportunities to pass the TSIA and may request to test at any time either online or in person. Information about the TCC testing center can be found [here](#).

Passing rates for the TSIA as of June 2021

	English, language arts and reading		Mathematics	
	Number passed	Percentage	Number passed	Percentage
