TABS Faculty will conduct optional Technology Training the Third Thursday of each Month beginning in October. This will alternate lunch and after school Sessions.

Fort Worth
Independent School District

1882 125 YEARS 2007

A professional development plan is in place to address the unique needs of each department.

Goals include:

- 1) Best place to work in Texas - Improve staff morale and instruction by providing time, opportunities, and resources for shared PD, team building, wellness, and positive experiences.
- 2) Provide academic and life skills supports for students as: 1) interventions, 2) anticipating needs, 3) advancement, 4) incentives and motivation, 5) wellness, and 6) progress monitoring
- 3) Create and sustain college, business, community, and family relationships/partnerships. Improve communication with all stakeholders.
