A student I.D. number is required to complete the forms.

Below are detailed instructions on how to complete the online forms.

All students who want to participate in a sport during the 2018-2019 school year need to complete the forms electronically on Rank One. The link is below.

<https://fortworthisd.rankonesport.com/New/Home.aspx>

- **"Log in"** or **"Start Online Forms"** to start a secure connection for your family.
- Click on **"My Athletes"** then **"Add Child."** If you have more than one athlete, no matter what grade or school, they can all be linked to one account.
- Click **"View Forms"** then must click on each form to complete (there are only 2). All blanks must be filled, even if it is "n/a." To sign, it is just as signing a credit purchase (use mouse as your pen).
- Click **"Submit"** at bottom of each form then start the next form.

When completed, each form should say **"Approved."**

Your student cannot participate in any practices until this is completed as well as a physical that is completed/cleared on the UIL form and turned into your coach.

The only forms that must be turned into your coach on paper is the Medical History & Physical form.

Parent/guardian and student must sign at the bottom of medical history.

Coach Carpenter must physically enter this information into Rank One after reviewing the form.
