

Paschal High School

MISSION STATEMENT

The mission of Paschal High School is to provide and support rigorous and relevant learning opportunities, which result in successful completion of a quality high school experience for all students. Specifically, each student should:

Graduate in 4 years or less

Routinely use higher order thinking skills to solve problems

Successfully function in a diverse society

Student Responsibilities

1. All students will embrace the four characteristics of Paschal students: Scholarship, Courtesy, Loyalty, Cooperation.
2. All students will commit to respect their peers, staff, campus, and community.
3. All students will attend class on time daily with all needed supplies.
4. All students will improve achievement in basic and advanced skills.
5. All students will meet or exceed minimum scores on all STAAR EOC tests.
6. All students will use a personal time management system (such as a planner or smart phone) daily to record upcoming events and assignments.
7. All students will dress to standard and will support a culture of professionalism and support for one another.

Family Responsibilities

1. Families will set goals with their student and praise him/her for hard work and achievement.
2. Families will make sure their student uses his or her personal time management device and asks what he/she is learning or studying.
3. Families will make sure their student attends all classes daily and follows all school and district policies.
4. Families will help their student be prepared for school by getting plenty of sleep, eating breakfast, and bringing the needed supplies to school.
5. Families will use Parent Portal regularly to check their student's progress, keep in contact with teachers, know when progress reports and report cards are sent home, and talk to their student about his/her progress.
6. Families will complete family surveys in order to help PHS staff evaluate and improve academic programs.
7. Families will attend open house and other school wide functions regularly, as well as volunteer whenever possible.
8. Families will help their student have a positive attitude toward school.
9. Families will help their student develop a sense of responsibility regarding quality work and homework completion.
10. Families will provide a consistent, quiet location for their student to complete homework nightly.

School Responsibilities

1. PHS teachers and/or staff will use the Texas Essential Knowledge and Skills to provide high-quality curriculum.
2. PHS teachers and/or staff will provide high-quality instruction through curriculum frameworks and other instructional resources and teach with enthusiasm every day.
3. PHS teachers and/or staff will update FOCUS weekly.
4. PHS teachers and/or staff will check assignments and quality of work regularly.
5. PHS teachers and/or staff will provide a safe and positive environment for all students.
6. PHS teachers and/or staff will encourage and motivate all students.
7. PHS teachers and/or staff will provide interventions through RTI processes.
8. PHS teachers and/or staff will provide opportunities for parents to be involved in the school and their student's learning.
9. PHS staff will provide teachers a periodic conference period each week.
10. PHS teachers and/or staff will encourage students to use their personal time management device daily.
