

The Collegiate Academy TSI Performance

| Cohort | Total Students | Reading (Students Passing) | Writing (Students Passing) | Math (Students Passing) |
|-------------------------------|-----------------------|---------------------------------------|---------------------------------------|------------------------------------|
| 2020 (12th) | 26 | 69% (18) | 92% (24) | 38% (10) |
| 2021 (11th) | 41 | 66% (27) | 38 (93%) | 18 (44%) |
| 2022 (10th) | 53 | 51% (27) | 91% (48) | 15% (8) |
| 2023 (9th) | 44 | 0.11% (5) | 41% (18) | 0% (0) |

Special Note:

Our 9th grade students are scheduled to take the TSI Reading and Writing in the Spring of 2020. They aren't typically scheduled to take the TSI Math portion of the TSI exam until they have completed their Algebra 2 course. This will ensure they have been exposed to specific math skills and concepts needed to master the TSI Math portion of the exam
