

2020-2021 Registration Procedures for Wedgwood Middle School

Greeting Parents and Guardians.

Welcome to Wedgwood Middle School. We are honored to have been chosen as a partner to continue your child's educational endeavors. Currently, our campus is closed to all visitors. Below you will find the information you will need to complete registration for your student for this school year.

You will need a Snapcode for your student's online registration, please use our new Snapcode lookup tool at www.fwisd.org/register. All online registration resources are listed on that page. You do not need to bring copies of any of your documents to the campus. You can simply take a picture and upload them right from your phone or computer into the registration system.

If you need further assistance with enrolling your student, you may contact our office at 817-814-8200 and someone will assist you. The office will be available to take your calls Monday – Friday between the hours of 9am-12pm and 1pm-4pm.

We appreciate your commitment to your child's education and we look forward to serving you in the near future.

Thank you,

Robert Burrell
