

March 1, 2021

Dear FWISD Families,

In 2011, the Fort Worth ISD Gold Seal Programs and Schools of Choice Initiative began providing choice opportunities in neighborhood schools to enhance the district goal of achieving college and career readiness standards through dynamic learning environments and experiences. Gold Seal Programs and Schools of Choice are designed to address your children's interests, learning styles, and goals. We believe in working with our community to determine the needs and desires of our stakeholders when developing our choice opportunities throughout the city.

As we begin the evaluation of GSPOC offerings in your area, the district is seeking your valuable input to gain greater insight on the needs of the community in order to review the program or school offerings that could possibly be made available through the Gold Seal Programs of Choice for your neighborhood campus. We would like to offer you the opportunity to share your thoughts with us in a family-friendly townhall meeting. Over the next several weeks, the District will request that parents provide input as to what your priorities are and identify areas for growth on your neighborhood campus. The School Pyramid townhall meeting will be held virtually at 6:00PM on March 11th. Please use this link to join the meeting: <http://bit.ly/3b7g92g>

In the meantime, if you have any questions or comments, I encourage you to reach out to us using the GSPOC Let's Talk app at <https://www.fwisd.org/choices>. We appreciate your continued support as we work to prepare all students for success in college, career and community leadership.
