

Bruce Shulkey Chess Club

Tuesdays 3:15 – 4:00
3rd 4th and 5th Graders are Welcome!

Chess Club Goals:

- * Practice good sportsmanship and social skills.
- * Learn about the wonderful ancient game of chess!
- * Have fun!

Where?: Students will meet the one of the Chess Club coaches at the front of the school at 3:15 after school on Tuesday.

A little bit about Chess Club: Each session will begin with a lesson on how the game of chess is played, how the pieces move, and some basic strategies. We do not assume everyone knows how to play, and we always welcome all players whatever their level. Following the lesson will be a short period of question and answer with the students and coaches, and then we will play matches until 3:50 after that we clean up and prepare for dismissal.

Parents need to pick club members up on time!: Promptly at 4:00

Pick up by the front door of the school. Club members not picked up on time will not be able to participate in chess club.

We are looking forward to a great time making friends and enjoying the wonderful game of chess!

Thank you,

Mr. Henahan and the other chess club coaches!
