The report card must be the official report card downloaded from Parent Portal for the 2nd grading period. It must show grades for the 1st and 2nd grading cycle, attendance records, and citizenship grades. We cannot accept screenshots or photos of the grade dashboard. For students attending schools with a 9-week grading period, the 1st grading cycle report card is acceptable as long as it shows all of the required attendance and citizenship information. Students applying from out of FWISD must submit official grade documentation from your student's school with the requested attendance and citizenship data.

YWLA has special requirements. You can not continue with the application until the email address are added. If you cannot upload the report card please email it sarah.devaldenebro@fwisd.org
