

Employee Perks Plus Program

100 N. University Dr., Suite NE 90, Fort Worth, TX 76107

Dear Community Business Partner,

Through the Perks Plus Program, Fort Worth Independent School District partners with area businesses to provide extra services and discounts to our 11,000+ employees. Fort Worth ISD is committed to fostering positive relationships with our community partners, and we see this program as mutually beneficial. Employees will feel appreciated by the community and will benefit by receiving discounts on products and services. Businesses will benefit through additional exposure to a large group of consumers. As area businesses support our employees with extra services and discounts, we will promote those businesses to our staff through internal communications.

Becoming a partner is easy! You can participate by doing the following:

- Offer free, discounted or enhanced services to all Fort Worth ISD employees.
- Read and agree to the enclosed program guidelines.
- Fax, mail or e-mail the enclosed registration form. Contact information is provided on the form.

We hope that you will find this partnership to be beneficial to your business operations. Your generosity is one more way of showing support for our schools and the dedicated staff who commit themselves everyday to the academic success of all our students.

Thank you very much and we look forward to partnering with you!

Sincerely,

Rosibel Jiménez
Coordinator, Compensation Department
