Principal Points

- **Arrival and Dismissal Safety-** Parents it is important that we follow the road signs of the One Way on Eastland and San Rose. Recently, we have seen parents make a u-turn in the middle of the street or go the opposite way of traffic on the one-way streets. This poses safety concerns of all our students and parents. The one-way streets are in place to protect our students. We ask that you please follow the road signs as posted.
- **Fort Worth After School-** Do you have a child in 3rd-5th grade? Fort Worth After School Program is just for you!!! This year many great things are happening in our FWAS program and we are very excited. From golf, learning how to code, creating art masterpieces from recycled art, creating the yearbook, or building a boat, FWAS is the place to be! FWAS is held every Monday-Thursday from 3:10-6:00 p.m. For more information, see Ms. Annette Ingram or call the school at 817-815-3600.
- **Walk to School Day-** It's cool to walk to school! On October 2, 2019 we are very excited to kick off with our partners from the YMCA Silver Sneakers and the Walking School Bus! More information is coming soon!

Let Us Know How We Are Doing!
