

Fort Worth ISD Perks Plus Program

FWISD employees can now take advantage of special discounts made available by a variety of area businesses as a “thank you” for their efforts in educating the children of Fort Worth. We hope to build a great program for you and you can help. Let your favorite restaurant, retailer and other businesses know about the program. Send them to the web site for more information and encourage them to sign up.

General Employee Guidelines:

- Please show a valid FWISD photo ID to the participating business to receive discount.
- Be sure to tip, if applicable, on the full amount, not the discounted price.
- Thank the business for offering the discount and being part of the program. Let them know it’s nice to be appreciated.
- Let us know if any problems arise with a participating company or the posted offer.

- Jazzercise is hip; gone are the leotards and legwarmers of the 1980s, replaced with a high-intensity blend of cardio, strength training, kickboxing and power yoga performed to hits by chart-toppers from Shakira to Justin Timberlake. The [class formats](#), which vary according to different toning goals, are just as diverse as the program's [move set](#), with recent additions such as Fusion, Core, and Strike broadening the workouts' variety and application. Instructors cultivate a noncompetitive atmosphere where all exercisers are welcome regardless of age, build, or fitness background. This sense of community keeps Jazzercise devotees coming back, but so too do the results; benefits ranging from weight loss and boosted core strength to increased flexibility and stress relief.
