

Step 1

Register for the VCFF telemedicine program at <https://virtualcarefamilies.com/fwisd-abbott>

Step 2

Register for your COVID-19 test at <https://register.txrapidtest.org> and enter your personal information

When you submit your information, a QR code will appear on the screen. →

Print this code or take a picture/screenshot of it with your cell phone and bring it to the test site each time you test. Scan the code at the test site instead of scanning your driver's license.
