MEET YOUR NEW ADVISERS!

A WELCOME LETTER ON BEHALF OF THE NEW GO CENTER TEAM

Diamond Hill, the GO Center is adding five new advisers to the team! With a total of six advisers and a CCRC, we can ensure that our students get more attention and more assistance with their post-graduation plans. We are incredibly excited and enthusiastic about starting this new school year!

Principals, counselors, teachers, faculty/staff, and parents all know that this is a team effort. Together we can help our students achieve their goals of going to college, enrolling in certificate programs, or enlisting in the military.

Scroll down below to meet the new members of the advising team!
