Online Schedule

Monday - “Workweek” Preview

- ▶ Every teacher will connect virtually with their students to set the stage for what they will be doing and what students need to be working on for the week. Teachers can assist students with issues, answer clarifying questions, and troubleshoot concerns
- ▶ This is a Synchronous model all lessons will be recorded so that if a student is unable to connect with the class at the reserved time, they can view and interact with the lesson at a later time that day
- ▶ The day will begin at 9:00 and end at 12:30 - Every class will have 20 minutes allotted to them on this day - with 10-minute stretch breaks in between. The afternoon will be Asynchronous, they are working independently on assignments.
- ▶ The teachers will enter current and updated grades in Focus. Progress reports will be emailed out each Monday evening to ensure student progress is communicated consistently
- ▶ Teachers will also connect with small groups of students for interventions and/or enrichment
