**Selected students are invited to our free After School program on campus, designed for Kinder – 5th grades, during each school day.**

**Activities include homework assistance, physical fitness, and social emotional learning, along with science experiments, food projects, art lessons, and literacy. Groups are divided by grade level, and our ClaytonQuest curriculum is aligned with the school day.**

**We keep students safe by following Fort Worth ISD protocols, CDC guidelines and COVID-19 related health practices.**

**Register online at  
[www.claytonyouth.org](http://www.claytonyouth.org)**

**Once your student is registered, the campus Site Coordinator will follow up with next steps, including a parent orientation and your official start date.**
