*Creating Art Work Using Paint

*Toy Making (recycled materials)

*Cooking (Snack recipes)

* Recycle art project work

Monthly Award Winners: Alexa Triana, Isabella Santillan, Tais Rodriguez, Felipe Posada, Jaime Martinez and Ethan Abila

Alexa, Isabella, Ethan, and Tais have earned rewards for being model students. They are leading by example for their groups. They are helping when needed with cleanup or helping calm the group. They help make the class run smoother.

Felipe Posada has earned his reward for being helpful with other students during homework time. He has gone out of his way to help some of the younger students with their work.

Jaime has earned his reward for improved conduct and being responsible.

We would like to thank the students for their contribution to the overall success of the program.

Special Thanks: We would like to thank all the parents that joined us for our 1st annual Painting with Parents. I was great seeing all the smiling faces from the students. The students shared: "It was awesome painting with my parents." "I can't wait until we do it again." It's the smallest things that make the biggest difference. We would also like to thank Mrs. Darden for helping put this event together. It would not have been possible without her.

This Months Featured Activities: Rock painting with Mrs. Romero

Students collected rocks and created a design to paint. Students are able to express their creativity and artistic abilities with the activity. Students enjoy having the freedom to create something on their own.
