

YWLA Pre-AP English I

Summer Reading Project

Directions: As a requirement for your summer reading, you will be completing a **50 Important Things Collage Project**. For this project, you will need an 8.5 x 11 sheet of computer paper. As you read, you will note down important words, quotes, and images from the text. Your finished project will be a collage that includes a variety of all of these elements. Please make sure that your finished product fills up the entire page and is colorful. An example from the book *Beloved* is below. You will be sharing your project with your classmates during the 1st week of class. Make sure there are at least 50 words, quotes, images, or themes on your collage - I will count them.

You may use any book over 275 pages for this project as long as it has won some sort of award (Check out: <http://bit.ly/ywlaawardwinners> for a list of all past award winning books). If you have any questions, please email me any time during the summer to ask questions. *Your project is due by the end of the 1st week of school and will be an assessment grade for the 1st 6 weeks.* **NOTE:** Choose your book carefully. You definitely don't want to spend this much time with a book you hate. Life is too short for bad books.

Happy Reading! – Mrs. Dehn (joanna.dehn@fwisd.org)
