BOOTCAMP

September 19 & 26 | 10 AM - 12 PM October 3 | 10 AM - 12 PM

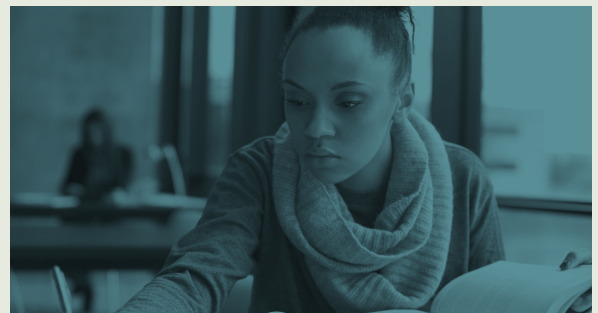

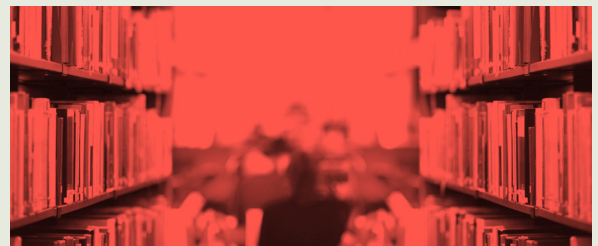

SENIORS: this is for you!

Seniors, you are now thinking about college. *But why do it alone?* During these three virtual COLLEGE APPLICATION BOOTCAMP series, you will learn how to:

- Fill out a college application
- Write an effective essay and receive feedback
- Learn about senior timelines (when to do what!)
- Get information about financial aid, scholarships and grants

You don't have all year to plan for college. The FAFSA (Free Application for Federal Student Aid) deadline this year is October 1, 2020. So, register for **BOOTCAMP** today!
