Comprehensive Needs Assessment Summary for 2019-2020

Priorities

What are we going to intervene? If addressed, this need will create the most impact.

1. Demonstrate alignment of instructional expectations in all grade

3. lighly consistent and engaging instruction to meet the needs of all

2. 2. Early identification of our students' academic needs

students' needs for college and career readiness

4. 4 increase meaningful parent/family engagement

5.

1	Title I	For K-2 students using method found in Next Steps to SGGR, identify students that are reading below BOY levels by August 30, 2019.	Teachers will take time during their SGGR times to screen students so that students can be tiered based on their reading levels. Tiered levels will be uploaded onto our schoolwide data document. Teachers will plan for the interventions as a group.	Teacher(s)	8/30/2019	Title I	2,500	Not Started	
2	Title I	Tier 3 students in K-3 will receive strategic pullout intervention with title 1 TAs.	TAs will use intervention activities/protocols from Next Step in SGGR for 25 minutes daily. These small groups are fluid and will change as the students and their needs change.	Other	5/29/2020	Title I	50,284	Not Started	
3	Title I	All K-3 students will be screened by teacher to identify students who are reading on the tier 3 level by August 30, 2019 so that interventions can begin by Sept 15th.	Teachers will use EOY data from 18-19 and new 19-20 (BOY fluency check, NWEA MAP literacy screener, Achieve 3000 for grades 2 & 3, cold read screener from Pearson) data to identify tier 3 students. This information will be documented in our schoolwide google data document. submit requisition for supplies to support these activities	Teacher(s)	9/15/2019	Local (Basic Allotment)	2,000	Not Started	
4	Title I	K-2 students will receive strategic SGGR instruction using protocols from Next Steps in SGGR and FWISD Units of Study to help develop a common SGGR language and consistent methods of instruction.	Teachers will continue to use the protocols learned last year through book study. New teachers will receive materials and training for these protocols. intervention materials specific to these protocols will also be used. Next Steps in Guided Reading have been used by Pearson to create the daily lesson format per Pearson rep. time will be alloted for teachers to practice and discuss their SGGR strategies along with creating learning centers that follow the SGGR methods	Teacher(s)	8/28/2020	Title I	2,000	Not Started	
5	Title I	Data Analyst will provide critical assistance to campus leadership and staff around data analysis, training and building capacity to improve instruction through data driven decision making.
