

Kirkpatrick M.S.

KNOWN - VALUED

Wild Cats

INSPIRED

2007 ~ 2008

# Yearbook Cover Contest

# Mr. Oliver, Principal

Vincent Berones and Ruben Flores interviewed Mr. Oliver:

*What college did you attend?*

"I did my bachelors at TCU and my masters at UT Arlington."

*How long do you plan to stay at Kirkpatrick?*

"As long as they let me."

*What are your plans for next year?*

"We're going to block schedule. We'll be a recognized school by the end of the school year."

*Are you satisfied with the behavior of the students here?*

"A work in progress. It can

always be better."

*How did it feel kissing the pig?*

"Slobbery, and it stunk. It made my dog very jealous."

*What is your favorite type of car?*

"1957 Corvette."

*If you could be principal at any other school, what school would it be?*

"Kirkpatrick K-12."

*Did you play any sports in school?*

"Basketball, track, and golf. In college, I played-lacrosse. I'm currently an avid golf player."

Mr. Oliver taught for three years, then assumed vice-principal duties at the Masonic Home for two years, and Dunbar Middle for four years. At the early age of eight, he had a strong desire to become a principal. But at 14, with his father at war, the experience of getting into pretty serious difficulty resulting in suspension inspired his principal to act as surrogate father to him. That solidified Mr. Oliver's decision to become a principal.

Asked how he felt about the students at Kirkpatrick: "I love the students; they're the the best kids in the world." Welcome Mr. Oliver. Mr. Oliver's 2 beautiful children and pillow are shown below.

# Administration

Mrs. Ana Cecil Vice Principal

Mr. Luis Mendez Vice Principal

Jaszzmine Gwynn and Noemi Payta interviewed Mr. Mendez:  
*What year did you get your Master's degree?*  
 "I got my Master's degree from Southwestern Baptist Theological Seminary in.....  
 gosh, that's a long time ago.....1976."  
*What do you like most about the school?*  
 The students.  
*If you could change one thing about Kirkpatrick, what would it be.*  
 "I would change that we had more land so that we could have our own track and football field."  
*What is your goal for next year for you, the staff, and the students.*  
 "To become a state recognized school."

Ms. Melanie Claybourn Counselor>  
*"Be sure while you are achieving your goals that you do not miss out on your dreams."*  
 "I got my Master's from North Texas. I've been counselor here for six years. Before that I was a family therapist, taught Social Studies at Weatherford for 1 year and Brock for 2 years. I also worked at a runaway shelter in Ft. Worth." (This just in: Ms. Claybourn got engaged to a Harley Guy, and everyone knows that Harley guys are the best.)

# Saturday School

It's easy to learn when you're having fun and Saturday School combines the two. Thank you to our dedicated teachers and to the attending students.

# Initiatives-Writing Camp

Something new this year, a day spent making good writers better at writing camp. There's nothing like a writing camp

# Initiatives-Peer Math Tutors

Kids learn from other kids is the philosophy behind Peer Math Tutors. Thank you students for all your hard work this year.

## Math Competition

An award winning math competition event. Great job teachers and students.

# Initiatives-Family Math Night

## Initiatives-Pi Day

Since it's March 14th, why not have pi day (3-14)? Coordinated lessons taught, pi in the brain, pie in the face, and pie in the tummy. It was an eventful, fun, learning day. Students did what they have always dreamed of doing with a pie and the teachers and staff obviously LIKED it.

## Spelling Bee

Ms. Vickers, our new and excellent librarian says: "The spelling bee is an exciting chance for our kids to really shine. We're so proud of our winners this year and look forward to more next year."

# THE BABY CONTEST!!

Who's who? Answers on page 53

# THE BABY CONTEST!!

Who's who? Answers on page 53

# Aren't they cute??

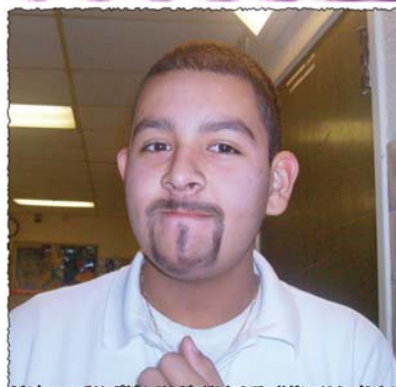

Different occasions gave opportunity for photo ops. Pictures prove Kirkpatrick kids are the cutest.

# Aren't they cute??

Continued cuteness. Shardai (above) wins the sparkling teeth contest. The student below told the teacher: "Make me", and she did.

# Band

Juan Flores interviewed Ms. Mitchell: *OK, What are you going to do with my instrument?*

*"Since you are an 8th grader and going on to high school next year, your instrument will probably go to someone who is a 7th grader this year because you guys got the really awesome brand new horns and now it's their turn to get to use them."*

*Why didn't the advanced band go to play at the elementary school?*

*"Mr. Oliver decided to take the teachers over. Usually the elementary kids come over here and we do a concert then and*

# Orchestra

demonstrate instruments for them, but because they decided to do it differently this year, we didn't get to go over and play for them."

*About how many people are going to be in advanced band next year?*

*"We should probably have around 30 eighth graders and 20 seventh graders."*

*Are the students in next year's advanced band going to go somewhere?*

*"Yes. We're going to go to pre UIL contests and to UIL contests and hopefully get to a performance at Sandy Lake or Six Flags."*

*How long have you worked at Kirkpatrick?*

*"This is my 3rd year."*

# The Dance

A sweet memory compilation of the several different dances offered and attended this year.

# Face, Hair, & Mum Day

Hair, face, and mum day. Which day was your favorite?

Answer:

# Assorted Activities

It's the first year for weekly (leader in the industry) WCAT lunch-time news. Thanks WCAT ladies. Upper right photos show involved FWAS (After-School) students. Kissing a pig and growing his hair out that long demonstrates that Mr. Oliver is willing do anything for our students. (not pictured is him in a quite lovely dress)

# Autographs

# Sports-Football

They really rose up to that. Honestly they started out pretty bad, to now where we will have strong players for next year for a district championship for the 8th graders coming up. Also it will set the tone for next year's seventh graders. Hopefully they will take their attitude they've shown on and off the field and start something and continue that. Overall they had a winning season."

# Sports-Action Shots

"I want to thank all the seventh and eighth grade athletes that came out for sports this year. We had real good participation with our seventh graders in every sport. Also our eighth graders, we didn't have as many, but we're thankful for the ones who came out and were dedicated, disciplined, and worked hard in representing our school, this neighborhood and their families as well. Our seasons were good. The guys learned a lot of things as far as fundamentals and work ethic and all those type of things that will help them when they go to high school. Again, I want to thank them all for being a part. And we'll look forward to seeing them do well in high school and seventh and eighth grade next year."

# Sports-Basketball
