Comprehensive Needs Assessment

Demographics

Demographics Summary

Polytechnic HS has 1290 students. Our Ethnic breakdown is .85% Asian; 18.91% Black or African American; 74.11% Hispanic or Latino; .16% Native Hawaiian or Other Pacific Islander; 1.94% White; .62% Two or more; 2.32% chose not to answer. 43.41% of our students are classified as LEP; 10.39% classified as Special Education; and 86.65% are considered to be At Risk.

Between the 2018-2019 and 2019-2020 school year, Polytechnic grew 122 students, a 9.46% increase.

Attendance is less than the district and state consecutively.

Texas Education Agency 2019-20 School Report Card POLYTECHNIC H S (220905009)

Accountability Rating	School Information
All Districts and Schools Were Not Rated in 2020 Due to COVID-19	District Name: FORT WORTH ISD Campus Type: High School Total Students: 1,168 Grade Span: 09 - 12
Not Rated Given the impact of COVID-19, all districts and schools received a label of Not Rated. Declared State of Disaster for their 2020 accountability ratings. Click here to read the official announcement.	For more information about this campus, see https://txschools.gov or the Texas Academic Performance Report at https://ipeds.wt.texas.gov/perfreport/lapr2020/index.html
Distinction Designations Distinction designations were not awarded in 2020.	

School and Student Information			
This section provides demographic information about POLYTECHNIC H S, including attendance rates; enrollment percentages for various student groups; student mobility rates; and class size averages at the campus, district, and state level, where applicable.			
	Campus	District	State
Attendance Rate (2018-19)	91.8%	95.1%	95.4%
Enrollment by Race/Ethnicity			
African American	21.6%	21.7%	12.6%

Demographics Strengths

1. System for Attendance Recovery
2. Diverse student population
3. At the time data was processed on 6/1/2021, Special Education students made single digit gains at the Masters Level in Science and English 2. At the Meets level, single digit gains were made in English 1 and double-digit gains in English 2. Double-digit gains were also made at the Approaches level. Hispanic students made gains in English 1 at the Meets level. African American students made gains in English 2 at the Approaches level. Economically Disadvantaged students made gains in English 2 at the Meets level. English Learners made gains in English 2 at Approaches and Meets levels.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Although many students have participated in Attendance Recovery, when comparing daily attendance across grades levels, underclassmen are attending class less frequently than upper class men. **Root Cause:** * Underclassmen are new to the state laws and regulations do not understand the requirements. * Implementation of COVID 19 protocols has further exasperated the decline in student attendance.

Student Learning

Student Learning Summary

In 2018-2019, the last time TEA provide a School Report Card, Polytechnic HS was rated an overall score of 76 indicating a C campus. In Student Achievement, the score was a 69 (D); School Progress a 78 (C); and Closing the Gaps a 70 (C). Distinctions in Mathematics and Science were recieved.

The campus growth at the approaches level is stagnant. However, the campus is demonstrating growth at Grade Level or above for ELA/Reading, Math and Science. from the 2018-2019 school years, ELA/Reading and Mathematics showed growth.

Texas Education Agency 2019-20 School Report Card POLYTECHNIC HS (220905009)

STAAR Outcomes

This section provides STAAR performance and Academic Growth outcomes. Academic Growth measures whether students are maintaining performance or improving from year to year. Please note that due to the cancellation of spring 2020 State of Texas Assessments of Academic Readiness (STAAR) due to the COVID-19 pandemic, the performance of this year's report is not updated.

Student Learning Strengths

At the time data was processed on 6/1/2021, Special Education students made single digit gains at the Masters Level in Science and English 2. At the Meets level, single digit gains were made in English 1 and double-digit gains in English 2. Double-digit gains were also made at the Approaches level. Hispanic students made gains in English 1 at the Meets level. African American students made gains in English 2 at the Approaches level. Economically

Disadvantaged students made gains in English 2 at the Meets level. English Learners made gains in English 2 at Approaches and Meets levels.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Build teacher capacity in the areas of data driven instruction, instructional strategies, and co-teaching models through six steps of effective feedback and PD. Additionally, provide support for using data housing programs for all sub populations. **Root Cause:** * New teacher academy is not implemented for year 1 & 2 teachers * Data driven instruction program for campus including data tracking for teachers and students is not uniform through out campus

Problem Statement 2: Student performance has digressed from the 2019-2020 to the 2020-2021 school years **Root Cause:** Effects of COVID-19 and implementation of protocols have resulted in less than 11% of students engaging in in-person instruction

Problem Statement 3: For a variety of reasons, the turnover rate at the end of the 2020-2021 school year is over 30% **Root Cause:** Although systems are built for teacher collaboration and natural mentor ships, the impact of COVID-19 and implemented strategies have made it difficult to maintain systems.

Problem Statement 4 (Prioritized): Although many students have participated in Attendance Recovery, when comparing daily attendance across grades levels, underclassmen are attending class less frequently than upper class men. **Root Cause:** * Underclassmen are new to the state laws and regulations do not understand the requirements. * Implementation of COVID 19 protocols has further exasperated the decline in student attendance.

School Processes & Programs

School Processes & Programs Summary

Campus has a 1:1 ratio for students with technology

PD - Given to teachers on a needs bases as determined from data that is gathered during campus learning walks, classroom observations, PLC's

Leadership is developed through distributive leadership

Instruction and reteach is derived off of data

CCMR - Initial scheduling students in programs and courses. Intentionality of course scheduling to ensure students obtain college credit.

CCMR Enrollment by grade

12th grade - 77:238 (32/4%); 11st grade - 34:257 (13.2%); 10th grade - 8:369 (2.2%); 9th grade - 0:413 (0%)

ESF 4.1

Actions to support powerful teaching and learning - Engagement team was established to help support staff's understanding of technology and engagement strategies.

Alignment is monitored through learning walks and classroom observations.

ESF 5.1

Data driven instruction is inconsistently implemented across the campus. Formative assessments are implemented in daily lessons in a variety of ways throughout the campus such as quick write, DOL's and after chunks of learning by questioning techniques. Intervention programs and in the development stages and need to be developed. Additionally, a tutoring program was developed for the campus and needs to be implemented.

Core subjects and given a PLC to plan together.

Campus Needs:

Staff Quality/Professional Development

Teachers will implement identified effective evidence of each of the two practices: standards alignment and formative assessment and feedback.

The Instructional leadership Team will implement data-driven instructional practices and the six steps of effective feedback.

Improve instructional strategies and strengthen the inclusion/co-teacher model.

Specifically for new teachers, provide support in understanding concepts/processes for: IEP's, 504's, access data in Eduphoria, Aware, Focus, breaking down TEKS/student standards, ELP's, PLD, TELPAS and other testing components.

Personnel - Policy and Procedures

Develop intentional strategies for retention and recruitment of teachers. 32% of the staff will be leaving Polytechnic for a variety of reasons.

Improve and increase ways to celebrate students, faculty and staff

Programs and Opportunities for Students

Implement SST within each grade level to focus on high risk students in the areas of: attendance, grades and discipline

Recruitment for CCMR program

School Processes & Programs Strengths

Campus utilizes distributive leadership.

Instructional staff receives needs based professional development and attend PLC's.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: For a variety of reasons, the turnover rate at the end of the 2020-2021 school year is over 30% **Root Cause:** Although systems are built for teacher collaboration and natural mentor ships, the impact of COVID-19 and implemented strategies have made it difficult to maintain systems.

Problem Statement 2 (Prioritized): Although many students have participated in Attendance Recovery, when comparing daily attendance across grades levels, underclassmen are attending class less frequently than upper class men. **Root Cause:** * Underclassmen are new to the state laws and regulations do not understand the requirements. * Implementation of COVID 19 protocols has further exasperated the decline in student attendance.

Problem Statement 3 (Prioritized): Build teacher capacity in the areas of data driven instruction, instructional strategies, and co-teaching models through six steps of effective feedback and PD. Additionally, provide support for using data housing programs for all sub populations. **Root Cause:** * New teacher academy is not implemented for year 1 & 2 teachers * Data driven instruction program for campus including data tracking for teachers and students is not uniform through out campus

Problem Statement 4: Student performance has digressed from the 2019-2020 to the 2020-2021 school years **Root Cause:** Effects of COVID-19 and implementation of protocols have resulted in less than 11% of students engaging in in-person instruction

Problem Statement 5: Between the 2019-2020 and 2020-2021 school year, there was an approximate 15% point increase in teachers resigning from Polytechnic. Due to the resignations, it creates a high need to recruit highly qualified candidates to replace the staff. **Root Cause:** There are many contributing factors to this increase. Teachers are leaving because of lack of support and structure. 1. leaving the educational industry 2. moving closer to home 3. leaving FWISD for another district

Staff Engagement

Staff turn over - over 37% 2020-21, 22% 2019-20

Staff Absences

Parent/Guardian/Community Engagement

Level of support from community - Polytechnic is attempting to form a PTA to increase community involvement

Climate results for students had a noticeable increase in the areas of safety, emotional safety and physical safety. Staff also felt as though bullying was also increasing.

Climate survey for parents in the areas of engagement, environment and safety had a slight increase from the previous school year.

Barriers that prevent community participation

Summary of Needs:

School Culture and Climate:

Increase student and teacher attendance rates

Develop a targeted program for retaining and recruiting teachers

Perceptions Strengths

Climate survey for parents in the areas of engagement, environment and safety had a slight increase from the previous school year.

Enrollment for the campus is on an upward trajectory

Referrals decreased from 2019-2020 to 2020-2021

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Between the 2019-2020 and 2020-2021 school year, there was an approximate 15% point increase in teachers resigning from Polytechnic. Due to the resignations, it creates a high need to recruit highly qualified candidates to replace the staff. **Root Cause:** There are many contributing factors to this increase. Teachers are leaving because of lack of support and structure. 1. leaving the educational industry 2. moving closer to home 3. leaving FWISD for another district

Problem Statement 2: For a variety of reasons, the turnover rate at the end of the 2020-2021 school year is over 30% **Root Cause:** Although systems are built for teacher collaboration and natural mentor ships, the impact of COVID-19 and implemented strategies have made it difficult to maintain systems.

Priority Problem Statements

Problem Statement 1: Build teacher capacity in the areas of data driven instruction, instructional strategies, and co-teaching models through six steps of effective feedback and PD. Additionally, provide support for using data housing programs for all sub populations.

Root Cause 1: * New teacher academy is not implemented for year 1 & 2 teachers * Data driven instruction program for campus including data tracking for teachers and students is not uniform through out campus

Problem Statement 1 Areas: Student Learning - School Processes & Programs

Problem Statement 2: Although many students have participated in Attendance Recovery, when comparing daily attendance across grades levels, underclassmen are attending class less frequently than upper class men.

Root Cause 2: * Underclassmen are new to the state laws and regulations do not understand the requirements. * Implementation of COVID 19 protocols has further exasperated the decline in student attendance.

Problem Statement 2 Areas: Demographics - Student Learning - School Processes & Programs

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements
- Covid-19 Factors and/or waivers

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Domain 1 - Student Achievement
- Student Progress Domain
- Domain 2 - Student Progress
- Closing the Gaps Domain
- Domain 3 - Closing the Gaps
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Federal Report Card Data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- (STAAR) current and longitudinal results, including all versions
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR EL progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Postsecondary college, career or military-ready graduates
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- PSAT
- Student failure and/or retention rates

- Local benchmark or common assessments data
- Observation Survey results
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and progress
- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and progress
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- Career and Technical Education (CTE) data, including coherent sequence coursework, program growth and student achievement by race, ethnicity, gender, etc.
- Career and Technical Education (CTE) data, including coherent sequence coursework aligned with the industry-based certifications, program growth and student achievement by race, ethnicity, gender, etc.
- Dual-credit and/or college prep course completion data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Discipline records
- Violence and/or violence prevention records
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- Equity data
- TTESS data
- T-P ESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices

Goals

Goal 1: Early Literacy

Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2024.

Performance Objective 1: Increase the percentage of 9th and 10th students who meet the grade level benchmark in reading on PSAT from 16% to 20% by May 2022.

Increase the percentage of African American students from .8% to 3% by May 2022.

Targeted or ESF High Priority

HB3 Goal

Evaluation Data Sources: Growth progress will be monitored by DOL's, 6 weeks district assessments and semester finals.

Strategy 1 Details	Reviews			
Strategy 1: 100% of our lessons and assessments will be aligned to the Standards. We will conduct monthly PD that focuses on teaching strategies for EL students and new language learners. 90% of PLC and PD will focus on equity among all students. TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Nov	Jan	Mar	June
Strategy 2 Details	Reviews			
Strategy 2: Based on the PD activity, funding will be used to cover expenses incurred Staff Responsible for Monitoring: Executive Director, Administrators and ILT Title I Schoolwide Elements: 2.4, 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability Funding Sources: - Title I (211) - 211-13-6399-04N-009-30-510-000000-22F10 - \$2,000, - Title I (211) - 211-13-6329-04N-009-30-510-000000-22F10 - \$600, - Title I (211) - 211-11-6112-0PD-009-30-510-000000-22F10 - \$2,000, - Title I (211) - 211-11-6116-0PD-009-30-510-000000-22F10 - \$2,000	Formative			Summative

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Based on the effects of COVID-19, implementation of protocols, and further adjustments due to construction, there is a general campus need to revisit systems and procedures to ensure faculty, staff, students, parents and our community is connected and involved in the decision making process as applicable.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

Title I Personnel

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Akomolafe, Adetokunbo	Core Teacher - Math		1
Angela Quick	Reading Teacher		1
Banks, Dontrell	Core Teacher - Math		1
Christie Moore	Assessment/Data Analyst		1
Jaramillo, Maria	Core Teacher - ELA		1
Ruben Olmos	Family Communications Specialist		1
TBD	Core Teacher - ELA/R		1

Campus Funding Summary

Title I (211)						
Goal	Objective	Strategy	Resources Needed	Description	Account Code	Amount
1	1	2		Supplies and materials for professional development	211-13-6399-04N-009-30-510-000000-22F10	\$2,000.00
1	1	2		Reading materials for professional development	211-13-6329-04N-009-30-510-000000-22F10	\$600.00
1	1	2		Subs for professional development	211-11-6112-0PD-009-30-510-000000-22F10	\$2,000.00
