# Comprehensive Needs Assessment

**Revised/Approved: April 18, 2023**

## **Needs Assessment Overview**

### **Needs Assessment Overview Summary**

Our process started asking every group of employees for the problems that they observed at Waverly Park this year.

We are working together to create the target statement and make plans with timelines.

# Demographics

## Demographics Summary

### Introduction

Our Campus Needs Assessment starts every year in mid March at Waverly Park. Big chart papers are placed in the principals office. Each depart/grade has a chart paper to write what they consider a problem to be solved. Admin meets with our PTA in April and May to offer them the chance to express the same. Student Council is asked to share ith the counselor what they think it is working and what it is not. Once the chart papers are collected, the leadership team decides which problems are "us" and what are "me" problems.

Some of the problems are easy to solve and we do not wait until next year. Those needs that required a plan and are affecting our school community, make the cut to this Campus Needs Assessment. IT is a great process of collaboration and refinement. These refinement includes the alignment of our goals, our strategies, our action steps and our resources.

Our enrollment is at the 700 students. Please keep in mind these numbers when valuing the acoomplishments of our staff, parents and community.

### Historic information

Waverly Park Elementary is a EE to a 5th-grade public school built in 1959, in the neighborhood known as Mary's creek between West Camp Bowie and Benbrook. Our address is 3604 Cimmaron Trail in Fort Worth, TX. Our students will go to Leonard MS and Western Hills HS. We are proud to be part of the Western Hills Pyramid.

Waverly Park has one of the largest attendance zones in Fort Worth ISD which brings a beautiful representation of the city of Fort Worth. Waverly Park is the Regional School Day for the Deaf and Hard of Hearing which brings a great inclusive enviroment for ALL students. Our diversity is our treasure.

Through the years, the school has changed physically. The blue hallway addition was constructed around the year 2005. The whole block belongs to the school. Waverly Park is surrounded by two partnering churches and two homes developments, Grace Church to the East and Westside Presbyterian Church to the West.

Waverly Park has one of the strongest PTA in FWISD. We have a full board that meets every second Tuesday of the month. There are teacher representatives in the board. We have academics night during the general membership nights. At this time, our PTA has more than \$15,000 ready to be utilized effectively for our students. Our PTA has spent over \$20,000 in supporting our instruction for the 23-24 school year ( Supports to Amplify- knowlegde section- and Eureka) Our school is always looking for parents to join our pta board. Feel free to email them at wavpartpta@gmail.com to be part of this great group of parents.

## Attendance and Enrollment under the current leadership

21-22 Overall Rating - B with an Academic Distintion in Science.

20-21 No Rated

19-20 Not Rated

18-19 Overall Rating -C with an Academic Distintions in Science and Reading

17-18 Met Standards

All rating and attendance well above district average.

### Demographics Strengths

Waverly Park is a diverse campus.

Waverly Park has maintained an enrollment of over 700 students. Our daily attendance has only decreased in PK (problem statement) Discipline referrals has drastically gone down.

Summary of Strenghts

- Fully certified experienced teacher
- Solid and proactive PTA

- Research based curriculum with campus and district support for implementation of engaging lessons.
- Family Engagement Specialist;Grade level chats connected to all parents in the grade level.
- One on one devices for all students.
- Free Breakfast and Lunch for all students.
- Partnerships with agencies.
- PK Master program. PK teachers across FWISD visit Waverly Park to understand our district wide PK initiative.
- After school clubs.
- Fee Based and Sponsored After School Care (YMCA).
- Experience Counselor.
- Regional School Day for the Deaf.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1 (Prioritized):** High percentage of student missing attendance in PK (87.8 %) compared with a strong 94.0 average from Kinder to 5th grade. **Root Cause:** We need to increase the opportunities to reach out to parents and community members about the importance of attendance in PK. Our action plan will include services for families, internal engagement, public communication and promotion as well as professional training and support staff supports at PK level.

**Problem Statement 2:** Our Teacher efficacy has to keep improving. Teacher efficacy is the level of confidence teachers have in their ability to guide students to success. **Root Cause:** This process has been a priority for our admin who trust the great dedication and talents of our staff members. Our action plan will include teachers ownership during Professional Learning Community (Teachers collaboration), empower our staff and build our teachers capacity through our TTESS system of coaching.

# Student Learning

## Student Learning Summary

### Regarding Student learning,

Note to the reader; at the time that this CIP was published our 2023 STAAR data was not released. Prior years indicated a strong growth in Reading and Math especially for our African American students. We moved from a C to B school. The 2023 STAAR results will be included here once they are released and analyzed by our team.

Feel free to email Mr. Baeta if you have questions, comments or concerns at [roberto.baetagutierrez@fwisd.org](mailto:roberto.baetagutierrez@fwisd.org)

## Student Learning Strengths

### Student Learning Strengths based on Wave 3 ( EOY) Circle data in English

- 86% of our PK students are on track for Book and Print Knowledge.
- 92% of of our PK students are on track for Counting Sets.
- 97% of our PK students are on track for Early writing.
- 92% of our PK students are on track for Letter Sounds
- 96% of our PK students are on track for Math
- 89% of our PK students are on track for Phonological Awareness.
- 99% of our PK students are on track for Shape Discrimination.
- 94% of our PK students are on track for Speech Production
- 90% of our PK students are on track for Story Retelling.

### Student Learning Strengths based on Wave 3 ( EOY) Circle data in Spanish

- 95% of of our PK students are on track for Counting Sets.

- 91% of our PK students are on track for Early writing.
- 95% of our PK students are on track for Math
- 91% of our PK students are on track for Phonological Awareness.
- 100% of our PK students are on track for Shape Discrimination.
- 91 % of our PK students are on track for Story Retelling.
- 95% of our PK students are on track for Rhyming I.

### Student Learning Strengths based on Reading MAP ( EOY) in English

- All grade levels increased on Avg. RIT Score from BOY to MOY and from MOY to EOY (Range of 14)
- Kinder Average RIT Score increased 19 points.
- All Student Groups increased on Average RIT Score from BOY to Moy and from MOY to EOY.
- All grade level except 1st grade increased for RIT Score Norm.
- All grade levels increased on Met BOY to EOY Projected Growth.
- All Student Groups increased on Met BOY to EOY Projected Growth.

### Student Learning Strengths based on Reading MAP ( EOY) in Spanish

- All grade levels increased on Avg. RIT Score from BOY to MOY and from MOY to EOY (Range of 14, same as English peers)
- All Student Groups increased on Average RIT Score from BOY to Moy and from MOY to EOY
- Our third graders increased on Met BOY to EOY Projected Growth (82% by EOY)

### Student Learning Strengths based on Math MAP ( EOY)

- All grade levels increased on Avg. RIT Score from BOY to MOY and from MOY to EOY (Range of 14, connection to literacy)
- All grade levels increased for RIT Score Norm.
- All grade level except 1st grade increased for RIT Score Norm.
- All grade levels increased on Met BOY to EOY Projected Growth.
- All Student Groups increased on Met BOY to EOY Projected Growth.

#### STAAR 2022 Data - Pending released for 2023)

Domain 3: Closing the gaps Scale Score 75

### Problem Statements Identifying Student Learning Needs

**Problem Statement 1 (Prioritized):** Our Special Ed Students are growing 39% to 43% ( MAP comparison over two academic years) but are performing below the other students groups when the other subgroups have been improving over the last two years based on MAP and STAAR data. **Root Cause:** Special Education supports; Our instruction approach regarding differentiation for our students and co-teaching methodology is requiring more professional development and support for all our teachers and staff.

**Problem Statement 2:** Enrichment opportunities; Need to accelerate growth for all students- Our high achiever students are not showing high growth like their peers based on MAP data ( Quadrant reports by classroom) **Root Cause:** Our teachers and staff need more training and PLC time on the usage of the Learning Continuum (MAP resource) to present content on the high achievers' ZPD and monitor their progress beyond BOY, MOY and EOY. ZPD, stands for The Zone of Proximal Development and it is defined as the space between what a learner can do without assistance and what a learner can do with adult guidance.

# School Processes & Programs

## School Processes & Programs Summary

### Curriculum and Instructional programs.

One of the biggest asset of Fort Worth ISD is our Curriculum Frameworks. Every teacher has full access to a scope and sequence, unit plans, numerous activities and different tools to assess their student learning. We are the most experience campus in the district regarding our PK curriculum. Last year we started implemented our new reading and writing program ( Amplify) and our new Math program ( Eureka)

### Professional development.

All our teachers and staff have plenty of oportunities to grow through professional development at District level. Disitret level training may occurr during workiing hours or outside working hours (FLEX hours). Teachers are compensated for all this. Opportunities are campus level take place during Staff Meetings, Teacher Led PLC's and coaching conferences with instrucional coaches and admin.

### Leadership & decision-making processes.

Our leadership team's main role is to be the campus instructional leaders. Our Lead teachers rotate every two years in order to have as many leaders as possible over an extend period of years.

### Communication

Our official way to communicate is via email adress. We also provide oportunities to parents to communicate with teachers, admin and our Family Engangement Specialist via calls and text messages.

### Scheduling

All Kinder to 5th grade students have 135 minutes of weekly PE. They receuved Art and Music instruction as well. Our teachers have a planning time of 50 minutes to plan, prepare and onference with parents among other duties. All PK to third grade classroom are self contained. All our Dual Language classroom are self contained. Our regular program 4th graders are in a team teaching scenario ( Math&Science teacher and ELA&Social Studies teacher) Our 5th grade regular program classroom are in triad ( Math, Science and ELA&Social Studies) Our Deaf and Hard of Hearing students receiving inclusion services with their hearing peer based on their IEP's.

### Support services

At Waverly Park, 17,5% of our students receive some type of support by our three Speech Therapist,by our two Special Education teachers, by our two Special Education Teacher Assistants, by our Dyslexia teachers, by our interim LSSP, by our diagnostician, by our seven deaf ed teams and by our three audiologist.

### Extracurricular/cocurricular opportunities.

Waverly Park has a strong PTA advocating for our students. We are well known for our community and our extensive number of after school activities.

Free free to visit our Facebook page. We have multiple partners in the city of Fort Worth, Tarrant Water District, Blue Zones, Junior league of Fort Worh, For the Life of You Foundation...

### **Technology integration/plan.**

Every student at Waverly Park has received a new Ipad for the 2023-2024 school year.

### **Hiring**

The selecting process, at the campus level, starts with multiple candidates screened before offering the first interview with a panel at the school. After the first interview, all teaching candidates are asked to do a demo lesson with one of our classrooms ( candidate passes a background check)

### **Teachers development tools**

- T-TESS Documentation
- T-TESS Coaching cycle
- Campus Instructional Coach for all teachers.
- Weekly Content PLC's all teachers- FWISD PLC Cycle.

All teachers are placed in assignments based on their strengths and certification.

### **School Processes & Programs Strengths**

We are extremely low teachers turned over.

#2 Elementary School in Parent Portal accounts

Award-winning PTA, Social Media, and Parents liaison programs. 11 TX PTA Awards

Waverly Park has numerous community partners.

Stakeholders praise the sense of security in our campus ( Campus Survey)

One to One device per student

Regional School Day for the Deaf.

Instructional look for are becoming consistent across campus. PD PLAN has been followed with Rigor

The PD PLan includes,

- Instructional FOCUS for the month

- PLC agendas and FWISD cycle.

- Walk through FOCUS for the month.

Our teams brought these concerns regarding systems to the CNA processs. We see these contributions as Strenghts because they are catalyst for growth.

### **PK Team**

- PK teachers want to have end of the unit celebrations which include inviting families and other community members.

### **Kinder Team**

- Clear consequences for behaviors that are consistently enforced across the board.
- Pyramid activities – engagements
- Tighter control and monitoring during carline
- More support for teachers (K) during testing periods. **Extra two Title 1 teachers next year.**
- Create commitees **PD Week**
- Fun Fridays for K (goal oriented and teks oriented) Make K fun again!

### **Professional Staff (Specials teachers)**

- Make music program out through the year ( We concentrate most of the first semester but the Pyramid Showcase event and May 15 event)

### **2nd and 4<sup>th</sup> grade**

- Set expectations, posted, enforced, practiced
- More clear campus expectations for new teachers.
- Procedures listed somewhere accessible for all staff for common things
- Lunch duty changed. Lunch coverage all teachers at recess .
- Vertical alignment
- Abide by school schedules.
- Enforce dress code ( daily)
- Timely communication
- Grade level student leaders? Monitors?
- Rotate play grounds each 6 weeks on a schedule.
- Parents allowed in classrooms all day any day,

### **3<sup>rd</sup> grade**

- More poetry than Amplify provides ( which means we need to be off the district
- More wiggle room on Curriculum

- Consistency of behavior and consequences
- More professional development – modeled lesson, of curriculum
- Designated time in schedule for computer program.
- Teacher of the month (to feel appreciated)
- Admin conversations with students about expectations by grade level monthly.

### **Deaf Ed**

- a supplement program for the existing Deaf Ed ELA curriculum.... Bilingual Grammar Curriculum

(Foundations for Literacy or Bedrock Literacy)

- PLC meeting for DHH teachers

### **1st grade**

- Support for dismissal
- Consistency with behavior consequences
- Vertical planning
- Longer PLC time

### **Sped Ed teachers**

- Review process for referrals
- Another diagnostician to help with caseload
- Use PLC's to focus on T. Tess/ Core Competencies/ Best Practices
- Define "Quality Tier 1 Instruction" & Provide Rubric

## **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1 (Prioritized):** Our reading and math program have not been implemented to their full extent. **Root Cause:** Our staff including, our admin, went under the first year of implementation of the program. It really was a learning curve for all of us. Action Steps: Identify areas to grow teacher by teacher based on Classroom MAP data for Math and Reading and provide opportunities for training on those specific areas.

**Problem Statement 2:** Our technology programs were implemented in quantity, but we can do a more intentional job (quality) to increase the number of students to Met Projected Growth (49% in Reading and 54% in Math) **Root Cause:** More need for professional development for Computer Adaptive Programs such as Lexia, Dreambox and Don Johnston. Action Plan: More PD for admin in order to monitor and provide better guidance to teachers and staff.

# Perceptions

## Perceptions Summary

### Surveys, interview, & focus groups.

Our community and our PTA creates Focus group with parents and teachers to finalize projects for the interests of our students

- 5th grade committee. This committee has been working all year long to support our 5th graders
- Garden Committee. This committee has been initiative to support our PK students.
- School Committees such as Hospitality.

### Parent engagement evaluations/feedback & participation levels.

Parents have a voice by attending our monthly PTA membership nights.

All our parents are invited to join our grade level GroupMe chats where they have direct access to the Principal.

We have signed sheets for every event that we do at Waverly Park. Some of our events are attended by people in the hundreds, Tiger Honor Rallies, Carnival, Student Champion Awards, Career Days, Book Fairs....

### Culture, climate, values beliefs.

We are in the Home of Student Champion. Our students cherish our three goals, integrity, respect and hard work. Former students come back to visit and they still live by our credo.

### Community partnerships

Our Counselor, our FES and admin contacts make our community a well support community. We are lucky to have the support of our community partners from our churches, our mentoring programs, FWISD department, The FW Library, Blue Zones, multiple restaurants and business around the area.

### Volunteer data.

There is a strong sense of community, Waverly Park belongs to the community.

### Student feedback.

We have an ongoing Student Council and Safety Patrol put together by our Tigers (5th and 4th graders) for our Tigers ( All students at Waverly Park)

### Staff retention.

This year, we lost four staff members to other districts and two retired. We have 102 staff members.

### Discipline

Staff, faculty and Admin agrees that that number one distractor from instruction is discipline.

## Perceptions Strengths

Recognitions from the CNA Campus Survey

Excellent rapport between parents and staff members.

Multiple channel of communications;Phone- Two to three staff members ready to response, Website, Facebook,Messenger,Instagram and calls.

GroupMe chat ( two way communication with all parents)

Strong sense of community

Parent support. We are so lucky!

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Perception for teachers that there is no consistency on applying discipline consequences **Root Cause:** No calibration between teachers and admin regarding discipline consequences. Need for a starting conversation ( and many more) to share perspectives and see students as a whole.

**Problem Statement 2 (Prioritized):** Lack of grade level procedures, rules and consequence plans despite of the successful implementation of restorative practices and circles (year #1) **Root Cause:** The teachers and admin response to discipline is reactive more than proactive.

# Priority Problem Statements

**Problem Statement 1:** Our Special Ed Students are growing 39% to 43% ( MAP comparison over two academic years) but are performing below the other students groups when the other subgroups have been improving over the last two years based on MAP and STAAR data.

**Root Cause 1:** Special Education supports; Our instruction approach regarding differentiation for our students and co-teaching methodology is requiring more professional development and support for all our teachers and staff.

**Problem Statement 1 Areas:** Student Learning

**Problem Statement 2:** High percentage of student missing attendance in PK (87.8 %) compared with a strong 94.0 average from Kinder to 5th grade.

**Root Cause 2:** We need to increase the opportunities to reach out to parents and community members about the importance of attendance in PK. Our action plan will include services for families, internal engagement, public communication and promotion as well as professional training and support staff supports at PK level.

**Problem Statement 2 Areas:** Demographics

**Problem Statement 3:** Our reading and math program have not been implemented to their full extend.

**Root Cause 3:** Our staff including, our admin, went under the first year of implementation of the program. It really was a learning curve for all of us. Action Steps: Identify areas to grow teacher by teacher based on Classroom MAP data for Math and Reading and provide opportunities for training on those specific areas.

**Problem Statement 3 Areas:** School Processes & Programs

**Problem Statement 4:** Lack of grade level procedures, rules and consequence plans despite of the successful implementation of restorative practices and circles (year #1)

**Root Cause 4:** The teachers and admin response to discipline is reactive more than proactive.

**Problem Statement 4 Areas:** Perceptions

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Accountability Distinction Designations
- Federal Report Card and accountability data
- RDA data

## Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data
- Other PreK - 2nd grade assessment data

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data

- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Dyslexia data

#### **Student Data: Behavior and Other Indicators**

- Completion rates and/or graduation rates data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Class size averages by grade and subject

#### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- Equity data
- T-TESS data
- T-P ESS data

#### **Parent/Community Data**

- Parent engagement rate

#### **Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data

# District Goals

Revised/Approved: September 20, 2023

**District Goal 1:** Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2024.

**School Performance Objective 1:** \*Increase the percentage of PK students who score On Track on Circle Phonological Awareness in English from 89.2% to 94% by May 2024.

\*Increase the percentage of PK students who score On Track on Circle Phonological Awareness in Spanish from 90.9% to 96\_\_% by May 2024.

\*Increase the percentage of our Special Ed students from 91% to 97% by May 2024

**High Priority**

**HB3 District Goal**

**Evaluation Data Sources:** Circle

**Strategy 1:** Improve the quality and alignment of Tier 1 instruction for all students through the use of the Teaching Strategies Curriculum process. Demonstrate why we are the PK ambassador campus in FWISD.

**Strategy's Expected Result/Impact:** \*Increase the percentage of PK students who score On Track on Circle Phonological Awareness in English from 89.2% to 94% by May 2024.

\*Increase the percentage of PK students who score On Track on Circle Phonological Awareness in Spanish from 90.9% to 96\_\_% by May 2024.

\*Increase the percentage of our Special Ed students from 91% to 97% by May 2024

### School Performance Objective 1 Problem Statements:

Demographics
<b>Problem Statement 1:</b> High percentage of student missing attendance in PK (87.8 %) compared with a strong 94.0 average from Kinder to 5th grade. <b>Root Cause:</b> We need to increase the opportunities to reach out to parents and community members about the importance of attendance in PK. Our action plan will include services for families, internal engagement, public communication and promotion as well as professional training and support staff supports at PK level.
School Processes & Programs
<b>Problem Statement 1:</b> Our reading and math program have not been implemented to their full extend. <b>Root Cause:</b> Our staff including, our admin, went under the first year of implementation of the program. It really was a learning curve for all of us. Action Steps: Identify areas to grow teacher by teacher based on Classroom MAP data for Math and Reading and provide opportunities for training on those specific areas.

**District Goal 1:** Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2024.

**School Performance Objective 2:** \*Increase the percentage of Kindergarten - Grade 3 students who Meet or Exceed grade level expectations on key MAP Fluency indicators in English from 56.4 (EOY Spring)\_% to 66.4 % by May 2024.

\*Increase the percentage of Kindergarten - Grade 3 students who Meet or Exceed grade level expectations on key MAP Fluency indicators in Spanish from 61.8 % to 71.8 % by May 2024.

\*Increase the percentage of Sp. Ed. students from 22% to 40% by May 2024.

**Evaluation Data Sources:** MOY Check point by Mrs. Hernandez ( Data Analyst) and Mr. Baeta ( Principal)

Oral Reading - Fall to Winter data

Phonological Awareness - Fall to Winter data

Area of concern under PA - Fall to Winter data

Phonics and Word Recognition - Fall to Winter data ( Similar to Phonological Awareness)

Highlights Kinder Phonics Fall to Winter data

Concern: 2nd grade and 3rd grade Phonics based on Fluency test - Fall to Winter data

Spanish Fluency- Fall to Winter data

**Strategy 1:** Impact at classroom level, Under a DDI mindset, Improve the quality and alignment of Tier 1 for all students through the use of the Amplify Unit and lesson internalization process and the FWISD Instructional Framework. Work to improve the master and knowledge of the TEKS by Faculty and Staff.

**Strategy's Expected Result/Impact:** \*Increase the percentage of Kindergarten - Grade 3 students who Meet or Exceed grade level expectations on key MAP Fluency indicators in English from 56.4 (EOY Spring)\_% to 66.4 % by May 2024. \*Increase the percentage of Kindergarten - Grade 3 students who Meet or Exceed grade level expectations on key MAP Fluency indicators in Spanish from 61.8 % to 71.8 % by May 2024. \*Increase the percentage of Sp. Ed. students from 22% to 40% by May 2024.

**School Performance Objective 2 Problem Statements:**

Student Learning
<b>Problem Statement 1:</b> Our Special Ed Students are growing 39% to 43% ( MAP comparison over two academic years) but are performing below the other students groups when the other subgroups have been improving over the last two years based on MAP and STAAR data. <b>Root Cause:</b> Special Education supports; Our instruction approach regarding differentiation for our students and co-teaching methodology is requiring more professional development and support for all our teachers and staff.
School Processes & Programs
<b>Problem Statement 1:</b> Our reading and math program have not been implemented to their full extend. <b>Root Cause:</b> Our staff including, our admin, went under the first year of implementation of the program. It really was a learning curve for all of us. Action Steps: Identify areas to grow teacher by teacher based on Classroom MAP data for Math and Reading and provide opportunities for training on those specific areas.

**District Goal 1:** Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 47% by August 2024.

**School Performance Objective 3:** \*Increase the percentage of Kindergarten through Grade 5 students who meet or exceed projected growth on MAP Growth Reading in English from 49.4 % to 59.4 % by May 2024.

\*Increase the percentage of Kindergarten through Grade 5 students who meet or exceed projected growth on MAP Growth Reading in Spanish from 38.6 % to 48.6% by May 2024.

\*Increase the percentage of our Special Ed students from 38,5% to 42% by May 2024.

**High Priority**

**HB3 District Goal**

**Evaluation Data Sources:** MOY Check point by Mrs. Hernandez ( Data Analyst) and Mr. Baeta ( Principal)

**Strategy 1:** Under a DDI mindset, Improve the quality and alignment of Tier 1 for all students through the use of the Amplify Unit and lesson internalization process and the FWISD Instructional Framework. Work to improve the master and knowledge of the TEKS by Faculty and Staff.

**Strategy's Expected Result/Impact:** \*Increase the percentage of Kindergarten through Grade 5 students who meet or exceed projected growth on MAP Growth Reading in English from 49.4 % to 59.4 % by May 2024. \*Increase the percentage of Kindergarten through Grade 5 students who meet or exceed projected growth on MAP Growth Reading in Spanish from 38.6 % to 48.6% by May 2024. \*Increase the percentage of our Special Ed students from 38,5% to 42% by May 2024.

School Performance Objective 1 Problem Statements:

Student Learning
<b>Problem Statement 1:</b> Our Special Ed Students are growing 39% to 43% ( MAP comparison over two academic years) but are performing below the other students groups when the other subgroups have been improving over the last two years based on MAP and STAAR data. <b>Root Cause:</b> Special Education supports; Our instruction approach regarding differentiation for our students and co-teaching methodology is requiring more professional development and support for all our teachers and staff.

### School Processes & Programs

**Problem Statement 1:** Our reading and math program have not been implemented to their full extend. **Root Cause:** Our staff including, our admin, went under the first year of implementation of the program. It really was a learning curve for all of us. **Action Steps:** Identify areas to grow teacher by teacher based on Classroom MAP data for Math and Reading and provide opportunities for training on those specific areas.

**District Goal 3:** Increase the percentage of students graduating with a CCMR indicator from 43% to 48% by June 2024.

**School Performance Objective 2:** Increase the percentage of 3-5 grade students scoring at MEETS or above on STAAR Math from 28% to 40% by May 2023.

Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from 20% to 50% by May 202

**Strategy 1:** Daily instrution is provided at the depth and complexity of the grade level and abode standards including the student performance tasks, activites, assignments, formative and summative assessments from the curriculum framework in all courses for all students.

**Strategy's Expected Result/Impact:** Increase the percentage of 3-5 grade students scoring at MEETS or above on STAAR Reading from 36% to 50% by May 2023. Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from 29% to 40 % by May 2023.
